Type of Exams: We have four types of exams at the end of each semester – EOC, NC Finals, CTE State Assessment, and Teacher-Made. Teachers will address which type of exam their students will take.

Continue on to the next page.....

Spring Semester Exam Dates 2018-19 Continued

Exam Exemptions for Teacher Made Exams ONLY:

High School students will not be required to take a teacher-made final exam in a course in the following situations:

- The student has an average of **90** or above the week prior to the administration of the exam and has no more than **2 unexcused absences** in the class; or
- The student has an average of **80** or above the week prior to the administration of the exam and has no more than **1 unexcused absence** in the class.

Attendance: Attendance during exam days is required for all students, for both exam sessions and review sessions. Our normal school hours apply, but the schedule and lunch times are adjusted.

June 6 is an important day for any students who have missed an exam earlier in the week due to illness. We regret that family vacation plans are not excused, and students cannot take exams early. We apologize that any requests for exceptions cannot be honored.

Testing Window: All exam testing must be completed between May 31 and June 6. This is true for ALL types of exams: EOC, NC Final Exams, CTE State Assessments, and Teacher-Made. Students may not test early, and if absent on an exam day, they must make arrangements to be at school on the make-up day in order to meet the approved testing window time-frame.

Score Results: All high school exams count 25% of a student's grade for the semester. Please emphasize this point to students so that they study.

Exam review: All teachers are expected to help students with review during class time and to distribute a review guide to students prior to testing. Students should begin organizing and reviewing material.

Academic Integrity: Please remind students of the need to prepare well for the exams and to make sure that they make ethical decisions when taking exams. The penalty for cheating of any kind is a "0" on a final exam.

Students will be required to turn in cell phones during testing sessions. If they do not want to do this, they should not bring their cell phone into the school.
