CATA Theatre to Perform *A Raisin in the Sun*

This year at Central Academy of Technology & Arts, students from the theatre department will come together to perform *A Raisin in the Sun* by Lorraine Hansberry. The production will feature CATA's first ever theatrical partnership with a local Union County elementary as the character of Travis in *A Raisin in the Sun* will be played by Malik Logan, a 5th grader from nearby Benton Heights.

Written in 1957, *A Raisin in the Sun* follows the life of an African American family, the Youngers, living in Chicago in the 1950s for a few weeks. Just having received a life insurance policy check for \$10,000 from the late Mr. Youngers, the rest of the family ponders on what to do with the money. Mama (played by Iyanna Brooks) wants to buy a house to fulfil the dream she had with Mr. Youngers before he died, Mama's son, Walter Lee (played by Amar Culbreth), wants to use the money to purchase a liquor store with a friend, Walter's wife, Ruth (played by Caitlyn Brown), agrees with Mama and wants a chance to build a new life with opportunity with Walter and their son, Travis, and, finally, Walter's sister, Beneatha (played by Zelda Gyampoh), wishes to use the money for her medical school tuition.

However, once the Youngers' future neighbors find out they are moving into a predominantly white neighborhood, Clybourne Park Improvement Association tries to bribe the Youngers into moving out. Due to this common occurrence during the 1950s, the Youngers must stick together and believe that they can no longer put off their dreams if they want a happy life.

Since its debut in 1959, *A Raisin in the Sun* has had many re-openings both on stage and on screen with new actors and directors stepping up to tackle the riveting show. One of the most recent and well known stages that *A Raisin in the Sun* performed on was in the 2014 Tony Awards where it won Best Revival of a Play.

"The show is like poetry. Every single line is a piece of poetry and it's a show that keeps you captivated," Zelda Gyampoh shares why she thinks *A Raisin in the Sun* is such a popular show throughout history.

Iyanna Brooks also shares why this show has such a big impact on people of color at CATA and why it is important that we are now doing it, "I think that getting the opportunity to audition and be in a play that is only people of color has really boosted our confidence in ourselves. [Ms. Fairchild] has the confidence that we can do [the show] and we have the confidence that we can prove to the school just because you're a person of color doesn't mean you should be overlooked for cast."

"I think everyone should come see the show because it's the most exciting and moving plays that I've ever been a part of," Amar Culbreth comments on why everyone should come out and see *A Raisin in the Sun*.

Central Academy will be performing *A Raisin in the Sun* on May 31st and June 1st at 7:00 pm.

Type of Exams: We have four types of exams at the end of each semester – EOC, NC Finals, CTE State Assessment, and Teacher-Made. Teachers will address which type of exam their students will take.

Continue on to the next page.....

Spring Semester Exam Dates 2018-19 Continued

Exam Exemptions for Teacher Made Exams ONLY:

High School students will not be required to take a teacher-made final exam in a course in the following situations:

- The student has an average of **90** or above the week prior to the administration of the exam and has no more than **2 unexcused absences** in the class; or
- The student has an average of **80** or above the week prior to the administration of the exam and has no more than **1 unexcused absence** in the class.

Attendance: Attendance during exam days is required for all students, for both exam sessions and review sessions. Our normal school hours apply, but the schedule and lunch times are adjusted.

June 6 is an important day for any students who have missed an exam earlier in the week due to illness. We regret that family vacation plans are not excused, and students cannot take exams early. We apologize that any requests for exceptions cannot be honored.

Testing Window: All exam testing must be completed between May 31 and June 6. This is true for ALL types of exams: EOC, NC Final Exams, CTE State Assessments, and Teacher-Made. Students may not test early, and if absent on an exam day, they must make arrangements to be at school on the make-up day in order to meet the approved testing window time-frame.

Score Results: All high school exams count 25% of a student's grade for the semester. Please emphasize this point to students so that they study.

Exam review: All teachers are expected to help students with review during class time and to distribute a review guide to students prior to testing. Students should begin organizing and reviewing material.

Academic Integrity: Please remind students of the need to prepare well for the exams and to make sure that they make ethical decisions when taking exams. The penalty for cheating of any kind is a "0" on a final exam.

Students will be required to turn in cell phones during testing sessions. If they do not want to do this, they should not bring their cell phone into the school.

ATTENDANCE AND EARLY DISMISSAL FACTS AND PROCEDURES

An attendance letter will be sent home with students after the 3rd, 6th, and 8th unexcused absence. At this time students will be notified if they owe recovery time for absences.

The Hands Helping Others and Beta Clubs participated in the "Relay for Life" last week for the **CATA Lifesavers**. The "Relay for Life" is an event that collects money for cancer research through fundraising. The event was held at Marvin Ridge High School's track on Friday, May 10. The "Hands Helping Others" club sponsored a booth where its members sold henna tattoos and face painting. Thanks to the generosity of our volunteers and patrons, and along with another event for Breast Cancer in October, the CATA Lifesavers collected \$1,399 that will be donated to the American Cancer Society. After an evening of fundraising and fun activities, the most moving and emotional moments of the walk took place. The field was dimmed, and the track was lit up by decorated luminaries in memorial of loved ones who lost their battle against cancer. In the bleachers stood luminaries that formed the word "HOPE." It was an honor for Hands Helping Others to participate in this important event. Thanks again to all who supported this cause. **Written by Jake Karas and Cynthia Hinson**
