Advanced Placement Absence Permission Form - for each student to fill out. In the past we would give students an actual document to sign, but we are living in a virtual world these days, as you know. Our students are not required to attend classes on the day of their assigned AP Exam (this is no different than any other school year) provided they have communicated with their teachers and parent/guardian). We will review their grades and if they should be in class their google form will not be approved. If granted permission the student will be coded as "field trip" and not counted absent on the day of their AP Exam. Please have your students fill out the google form by **Thursday, April 29th at 5:00 pm**. They must fill out a form for each exam they are taking.
