Volume 5; Issue 19 January 11 2018

CATA Families,

Being present at school is so important to academic success and to gaining good skills for college and career. Parents, please talk to your students about being at school every day AND about being on time in the morning. We have had an increase in morning tardies. Students should think about getting up 5 –10 minutes earlier each day to start their day off right. **Second Semester Schedule Corrections** - The Schedule Correction Google Doc will open on Wednesday, January 24th by 9:00 am and will remain open until Friday, February 2nd at 5:00 pm. The link for the Schedule Correction Google Doc will be on the CATA website under Students/ Parents tab. **Attendance waiver letters** for students with eight or more unexcused absences were sent home this week. Parents please sign and return these letters to the front office. Your child has been contacted about their attendance recovery time. Please direct any questions about recovery to [Ms. Karen Riley](#). Recovery must be completed before January 25th. The **Fall Exam Schedule** is posted in this edition, along with study tips and important exam information. Click [here](#) for Exam information on our website. Parents, every day at school counts, please ensure your students are here every day to learn.

We do not have extra **chargers for exams**. Please stress to students that they must charge their Chromebook over night and bring their charger to school for the exam period in case they need it every day. The **Second Six Weeks Honor Roll** is listed in this edition. Students are recognized for A Honor Roll and A/B Honor Roll. Please see our **Civil Engineering and Architecture class students**, in action in this edition. Thank you to the cast and crew of the Junior Theatre Show **Romeo and Juliet** for two great performances last week. Great job to our Piano and Chorus students for a great concert last night! **Seniors** -The **2018 Fall Senior Letter** with information about graduation and senior year activities is posted on the website. Click [here](#) for the letter. Information about **Open Mic Night: Front and Center** presented by the Union County Alumnae Chapter of Delta Sigma Theta Sorority, Inc. (UCAC) and the Town of Indian Trail Parks and Recreation Department is in this edition. The deadline for registration is 1/15. Click [here](#) for more information.

Future Prep will host an SAT Prep course starting Wednesday, March 7th and ending Wednesday, April 18th at CATA (all sessions will be on Wednesdays). This prep will line up with the April 24th SAT that ALL juniors will take. Please click [here](#) to register. If you have any questions please contact your assigned counselor. Please see the flyer in this edition. The CATA PTSO will be holding a **Valentine's Fundraiser starting 1/29**. Teddy Bears will be on sale to send to friends and teachers. Bears will be distributed on Valentine's Day . Pre-Order forms will be sent home the week of 1/29 and will be sold during lunch on 2/8 and 2/9. The cost is \$3 per bear. Please take time to read over this newsletter to see the great things our children and teachers are doing. The Cougar Chronicle, in addition to our website, will be the main form of communication from school to home. At CATA we will continue to work toward Leading the Way so that your child can lead the way in the future! Go Cougars! Dr. Fisenne

SAT Review/College Prep Class

Why Invest in a SAT Review/College Prep Class?

The SAT can be just as important to Admissions Officers as your overall GPA.

The SAT can help to determine how much financial assistance may be available to you through grants and scholarships?

Due to ease of online application, more students are applying to more colleges than ever before, making the process more competitive.

Pre-Engineering Students in Mr. Recher's Civil Engineering and Architecture Classes present to Community Professionals:

Civil Engineering & Architecture (CEA) class students presented their final design projects to a panel of (3) licensed professional engineers from the community. This is representing what engineers and architects do when competing for design contracts for clients. This is a preliminary project design, but encompasses what students have learned this semester in this class. What a great way for students to learn real world experiences! Presentations were 7 minutes in length with 7 minutes for questions and comments by panelists/audience members for each team. The panelists are from Little Diversified Architectural Consulting: Jeff Roman, Professional Engineer, Stephen Robey, Professional Engineer, and Shana Hetherington, Architect.

Student Life

Many of our student life organizations are listed on our website. [Click here.](#)

The CATA National Honor Society chapter is having a drive to collect new and gently used blankets and onesies that will be delivered to public hospitals in Honduras. There is extreme poverty in Honduras and families must provide their own blankets and onesies when they deliver at a hospital. For many families they do not have the money to purchase a onesie or blanket. Students should bring the items to The Den. There will be a prize for the first block class that contributes the most items. We will collect items until exams.

The CATA Performing Arts Academy is starting a Tri-M Music Honor Society! The Tri-M Music Honor Society is a high school music honor society and is a program of the National Association for Music Education. It is designed to recognize students for their academic and musical achievements and to provide leadership and service opportunities to young musicians. Candidates must have been enrolled in a school-sponsored music ensemble and/or class for at least one semester of the current school year and must have maintained for the previous semester at least a B average grade or equivalent in music, with at least a cumulative C average grade or equivalent in other academic subjects. Please fill out an application on the band website www.cataband.org by Friday, January 5th if interested. If accepted, there will be a brief meeting Wednesday, January 10th from 8:25-8:45 in the band room to go over information on the induction ceremony on **Tuesday, January 16th at 6:30 PM** in the auditorium.

Exam Study Tips:

Be on time! Students should be in their testing locations before 8:50 a.m. They will not be admitted to exams once testing has begun. Students are encouraged to sleep well each night (8 hours), and have a healthy breakfast each morning.

- Create a study calendar and stick to it
- Ask your teacher for a study guide and USE IT!!
- Use your notebook to guide you through a review of the course
- Attend all review sessions offered
- Go to tutoring for extra support
- Make a study group, assign each person a topic to re-teach, and discuss each topic
- Have your parents ask you questions
- Use diagrams, graphs, pictures, and drawings in your textbook to serve as a talking point for you to review
- Make flashcards on your computer or phone to practice important vocabulary words
- Look at your scores from the semester and identify topics you struggled in – ask your teacher or a friend for help
- Stay after school to study – let an administrator know which days your study group needs to stay and study and we will arrange for you to stay to study
- Rewrite important points, the act of writing or typing helps some people remember specific information
- Create an acronym, or a funny saying, or song to remember specific information
- Draw a quick sketch to help with definitions or concepts
- Practice math problems

Type of Exams: We have four types of exams at the end of each semester – EOC, NC Finals, CTE State Assessment, and Teacher-Made. Teachers will address which type of exam their students will take.

Attendance: Attendance during exam days is required for all students, for both exam sessions and review sessions. Our normal school hours apply, but the schedule and lunch times are adjusted. **January 25** is an important day for any students who have missed an exam earlier in the week due to illness. We regret that family vacation plans are not excused, and students cannot take exams early. We apologize that any requests for exceptions cannot be honored.

Testing Window: All exam testing must be completed between January 19 and January 25. This is true for ALL types of exams: EOC, NC Final Exams, CTE State Assessments, and Teacher-Made. Students may not test early, and if absent on an exam day, they must make arrangements to be at school on the make-up day in order to meet the approved testing window time-frame.

Score Results: All high school exams count 25% of a student's grade for the semester. Please emphasize this point to students so that they study.

Exam review: All teachers are expected to help students with review during class time and to distribute a review guide to students prior to testing. Students should begin organizing and reviewing material.

Academic Integrity: Please remind students of the need to prepare well for the exams and to make sure that they make ethical decisions when taking exams. The penalty for cheating of any kind is a "0" on a final exam.

Students will be required to turn in cell phones during testing sessions. If they do not want to do this, they should not bring their cell phone into the school.
