Volume 3; Issue 32  
May 5, 2016

CATA families,

Great job to our Transportation Academy for hosting the annual car show last weekend—what a great success! Prom went very well last weekend—the students looked great and were a pleasure to enjoy the evening with. What a great night!

This week we celebrate our teachers for Teacher Appreciation Week. Thank you to Student Council, the Robotics Club, and especially the PTSO for celebrating our teachers each day!! Our SADD Club and German Club are sponsoring a fundraiser to help people in Ecuador who have been affected by the massive earthquake. Details are in the Chronicle. Our Dance Academy is having their final show of the year—Props to You on May 13th and 14th. Please join us for a great evening with our very talented dancers.

Having **computer problems**? If so consider bringing your computer problems to our Information System Help Desk. See

specific services that our computer savvy IT students and their teachers can help you with—

details inside the Cougar Chronicle!! Report cards were distributed this Wednesday, please be sure to ask your child for their report card. Recently we have had a very large number of parents dropping off forgotten items for their children. Please remind your children to bring everything they need for school with them. Starting next week if you bring an item that your child forgot during the school day we will be happy to hold it for them in the office but we will not make announcements letting your child know that it is there. If you cannot send them a message via email or text please let us know and we will be happy to send them an email on their school email account to let them know that there is something in the front office for them.

Please take time to read over this newsletter. The Cougar Chronicles are also available on the website. The Cougar Chronicle, in addition to our website, will be the main form of communication from school to home. At CATA we will continue to work toward Leading the Way so that your child can lead the way in the future! Go Cougars! Dr. Kim Fisenne

## Student Recognition Opportunity –

If you have participated in PLTW courses and AP courses, you may be eligible to receive AP + PLTW recognition. College Board and Project Lead the Way have teamed up to offer this recognition that will demonstrate to colleges and employers that the student is ready for advanced course work and interested in careers in this discipline. There are three chosen pathways in which a student can participate: Biomedical Science, Engineering, and Computer Science. To qualify, students must complete three courses in their pathway:

- One AP course
- One PLTW course
- One additional AP or PLTW course

The Pathway Menu of Courses that students can select from can be found [HERE](#). Students that are interested in receiving this recognition need to apply by **June 30th, 2016**. Please be on the lookout for information about how to apply. [Or - Apply Now by clicking here.](#)

## Attendance Information for Parents and Students

Students with more than 7 absences in a course can fail the class due to Absences alone, regardless of their grade average in the class.

Attendance at school is Priority. It is so important to be present in order to learn and to gain opportunities for mastering course-work. This is also a very important life lesson for our children to learn—in life we have expectations of going to work and working to the best of our ability, and this good life habit starts with attendance at school.

- To ensure maximum student attendance we will be contacting students and parents when students reach 3, 6, and 8 absences. The numbers 3, 6, and 8 are for Total absences, both excused and unexcused.
- According to UCPS attendance policy students should not miss more than 7 classes in each class. **The goal is to not miss ANY school**, but if a student has a valid reason, such as an illness or other excused absence, they can have up to 7 absences and still pass the class.
- **It is important that excuse notes be written and turned into the office within 3 days after an absence. After the three days, then the absences are recorded as unexcused permanently.**
- At each absence threshold (3,6,8) CATA staff will make the determination if the student needs to begin the recovery process to make up absences and notify parents and students on how to make up time missed from school. Recovery should be done during the semester and in the two week time span given or the student will not be allowed to recover the absences at a later date. There are UCPS limits on how many classes can be recovered. Recovery will be held on Tuesdays and Thursdays after school with Ms. Riley, or with the student's individual teacher. Students are expected to work on content during recovery time. This plan is in place so that your student makes up content close to the date it was delivered in class. CATA feels this is most effective.

## ECUADOR EARTHQUAKE RELIEF FUNDRAISER

By Selena Villareal

Last month, April 16th, tragedy struck Ecuador. A 7.8 magnitude earthquake hit Ecuador, it didn't stop there. After the initial earthquake hundreds of aftershocks occurred. Many buildings collapsed, roads were destroyed. As of now, the death count is more than 650. There thousands injured and many Ecuadorian citizens are still missing. Many who did survive have been left without homes or modes of transportation

Jorge Glas, the vice president, has said that this is one of the strongest earthquakes the country has ever experienced. The areas that have been affected the most are the poorest parts of the country. This makes getting help without donations extremely difficult.

CATA's German and SADD clubs are teaming up to help Ecuador during this crisis and we want your help too! During First block next Thursday (May 12th) and Friday (May 13th), students can turn in donations of spare change and small bills (\$1 or \$5) to their teachers. Money that is collected will be given to UNICEF for the Ecuador Relief Fund. Small donations can often make a big difference if everyone participates. The class that collects the most money will receive doughnuts. Don't just donate for the doughnuts though, donate to help the people of Ecuador.

Graduation Information  
Class of 2016**

Dear Class of 2016,

We are so very proud of each and every one of you. This spring semester we hope that you will enjoy your time with your friends and teachers while maintaining your school work. In just a short time you will no longer be a "high school student" and will be looked at as an adult. You have worked hard, we have worked hard, and your parents have worked hard to prepare you for this challenge. You are each a reflection of your family and your school and, more importantly, you are a reflection of your core values. We hope that you will have fond memories of CATA and of the people here. We certainly have wonderful memories of each one of you.

The rest of this letter contains important information you need to know in a very factual format. We ask that you review the entire letter with your family. We are excited about the remainder of your Senior Year and want to be sure you know the expectations that are set. Feel free to come and ask any questions you may have.

**Congratulations Class of 2016!**

**Graduating from high school** is dependent upon earning the number and type of credits needed to earn a diploma.

**Participating in the graduation ceremony is a privilege**, one that your family will truly value as they have spent a lot of time supporting you in your academic studies. Please take time to ensure that you are eligible to graduate by earning the credits needed. Please take time to ensure that you are able to participate in the graduation ceremony by making good choices for the remainder of your senior year, and by making sure that you have taken care of all financial responsibilities. Specifically, students must pay all fees owed to the school in order to be permitted to participate in graduation ceremonies. This includes fees such as (but not limited to) - cafeteria, media center, textbook, transcript, technology, property fees. Any unpaid fee owed to the school or school system must be paid by Wednesday June 8<sup>th</sup> to be allowed to participate in a graduation ceremony. Multiple invoices have been sent this year. If you have an outstanding balance we strongly urge you to meet with your grade level administrator now to set up a payment plan.

**Senior Week: Senior Week is May 23<sup>rd</sup> -27<sup>th</sup>.**

**Extra Information about graduation day:**

- Graduates must park at the back of the coliseum – this will be designated on the directions you receive and signs will be up at the coliseum. Guests must park at the front of the coliseum. If any of your guests are handicapped, there is a handicap accessible entrance at the front of the coliseum – cars can drive up to this entrance to drop their guest off and CATA staff will assist them in getting into the coliseum while the driver parks the car.
- Winthrop Coliseum will have police officers and security at the graduation event. Please remind your guests that no noisemakers are permitted in the coliseum. The officers represent Winthrop and will enforce the Winthrop rules. Guests to the ceremony should plan on arriving 30 minutes to an hour in advance to allow for traffic. Winthrop will close the doors to the coliseum once the graduation ceremony begins, so all guests need to be in place prior to the 6:00 start time.
- Students should not bring any valuables with them, including phones, into the coliseum as there will be no place for them to store valuables. Please leave them with your parents.
- Pictures of the graduates receiving their diploma will be taken by a professional photographer. Students will receive information on how to order the pictures in their Senior Envelope that they get after the ceremony. Only graduates and staff are permitted on the arena floor.
- At the end of the graduation ceremony all seniors will proceed out of the coliseum and will use the coliseum tunnel to exit at the back of the coliseum, where they will receive their actual diploma, final transcript, picture information, and other important items. An official transcript in a sealed envelope will be in the packet. It is YOUR responsibility to mail it to your college. It is REQUIRED by your college for admission. **Please make plans to meet your families by walking around the outside of the coliseum toward the front. There are plenty of places to take pictures outside. Since the University will have to reset after our graduation for the next events, guests and graduates will not be able to stay inside the coliseum for pictures.**
