Cougar Chronicle

Volume 4; Issue 19, January 12, 2017

U.S. Department of Education National Blue Ribbon School

Dear CATA Family,

The Theater III Performance of the history of Tom Jones is rescheduled to January 27 to 29. The shows are \$5 and are at 7 PM on 1/27 and 1/28, and 2:30 PM on 1/29. Join us for the

county Poetry Out-Loud competition on 1/31 at 3:30 in the CATA Auditorium!! Remember that final exams start next week on

Wednesday, January 18th. See the chronicle for the schedule and for study tips. ALL students are expected to attend their exam review periods. If you have questions about grades, please communicate with your child's teacher. Information on exams and exam tips are posted in this edition.

Attendance Waiver letters went home with students this past week and must be completed and returned to the front office. Letters are due back by Friday, January 13 for those who have already received a letter, and on Tuesday, January 17 for those who receive a waiver letter for the first time this Friday. In addition, if your child owes recovery time, then this must be completed by the end of the semester. Students will be notified about recovery time this week. Please remember that absences not waived due to illness can cause a student to fail a course due to attendance. Attendance matters to a student's learning.

Please see important information for students in all grade levels about college readiness, SAT and ACT exams and preparation programs, scholarships, college visits, and summer programs for students. Please also see the information about the field trip with guidance to the CIAA tournament where students will have the opportunity to tour a college fair and meet representatives from many colleges including Historically-Black Universities. We hope that students and families will come out to see some winter athletics this season. We have some exciting matches—see the calendar on our website and support our Cougars who are working so hard!

Information about applying to the UCPS International Baccalaureate Programme offered at Marvin Ridge HS is in this edition. This edition contains information about the dinner and performance of BOAL on February 12. Students, NHS is collecting new and gently used books for a local elementary school. Please bring books suitable for k-5 students to your second block classes. Please see Ms. Christensen for details.

Please take time to read over this newsletter. The Cougar Chronicles are also available on the website. The Cougar Chronicle, in addition to our website, will be the main form of communication from school to home. At CATA we will continue to work toward Leading the Way so that your child can lead the way in the future!

Go Cougars!

Dr. Fisenne

We have our Blue Ribbon Award on Display in the Main office with Congrats from lawmakers and the President!

Parent email and phone contact information—it is vital that we have accurate information. Please complete it. After that you can Email Mr. William Smith with any changes.

1:35 – 3:30 4th period review

Monday, January 23

8:50 – 12:50 4th period exams in all classes

12:50 – 1:30 lunch – in café and gym

1:35 – 3:30 community building activity for those students that remain at school

Tuesday, January 24 is a makeup exam day – students needing to make up an exam should report to school by 8:50 to start.

Type of Exams: We have four types of exams at the end of each semester – EOC, NC Finals, CTE State Assessment, and Teacher-Made. Teachers will address which type of exam their students will take.

Attendance: Attendance during exam days is required for all students, for both exam sessions and review sessions. Our normal school hours apply, but the schedule and lunch times are adjusted. **January 24** is an important day for any students who have missed an exam earlier in the week due to illness. We regret that family vacation plans are not excused, and students cannot take exams early. We apologize that any requests for exceptions cannot be honored.

Testing Window: All exam testing must be completed between January 18 and January 24. This is true for ALL types of exams: EOC, NC Final Exams, CTE State Assessments, and Teacher-Made. Students may not test early, and if absent on an exam day, they must make arrangements to be at school on the make-up day in order to meet the approved testing window time-frame.

Score Results: All high school exams count 25% of a student's grade for the semester. Please emphasize this point to students so that they study.

Exam review: All teachers are expected to help students with review during class time and to distribute a review guide to students prior to testing. Many teachers may have distributed these prior to the holiday break, and students should begin organizing and reviewing material.

Academic Integrity: Please remind students of the need to prepare well for the exams and to make sure that they make ethical decisions when taking exams. The penalty for cheating of any kind is a "0" on a final exam.

Students will be required to turn in cell phones during testing sessions. If they do not want to do this, they should not bring their cell phone into the school.

Connecting Families

The Cougar Council is trying to make it easier for families to connect with each other based on their student's academies, geographic location, sports played, clubs involved with, etc. We realize that since our school covers the entire county it can sometimes be hard to make connections with other families. If you are interested in participating, please fill out the form using the link below. Please know that your information will only be shared with other CATA families who are in the directory. This is a great place to go for contacts if you need to find someone to carpool with or just to network with other parents in your student's academy.

Attendance Letters and Recovery

-Attendance at school is a priority. It is so important to be present in order to learn and to gain opportunities for mastering coursework. This is also a very important life lesson for our children to learn—in life we have expectations of going to work and working to the best of our ability, and this good life habit starts with attendance at school.

- To ensure maximum student attendance we will be contacting students and parents when students reach 3, 6, and 8 absences.

-According to UCPS attendance policy students should not miss more than 7 classes in each class. The goal is to not miss ANY school, but if a student has a valid reason, such as an illness or other excused absence, they can have up to 7 absences and still pass the class.

-It is important that excuse notes be written and turned into the office within 3 days after an absence. After the three days, then the absences are recorded as unexcused permanently.

- At each absence threshold (3,6,8) CATA staff will make the determination if the student needs to begin the recovery process to make up absences and notify parents and students on how to make up time missed from school. Recovery should be done during the semester and in the two week time span given or the student will not be allowed to recover the absences at a later date.

-There are UCPS limits on how many classes can be recovered. Recovery will be held on Tuesdays and Thursdays after school with Ms. Riley, or with the student's individual teacher. Students are expected to work on content during recovery time. This plan is in place so that your student makes up content close to the date it was delivered in class.

UCPS International Baccalaureate Programme

The window for applications for all current sophomores to the International Baccalaureate Programme at Marvin Ridge High School opens on **January 26th** and closes on **February 9th**. If any sophomore is interested in this program you are encouraged to attend the informational meeting in the auditorium at MRHS on **January 30th** from 6:30-7:30.

When the application opens, it will be available on the [MRHS IB Webpage](#) which can be accessed by visiting a link on the academics page of our school website. The application outlines the steps for applying and requires some general information, short response questions, letters of recommendation from teachers, and a transcript. All the necessary forms will be included in the application. Students who apply are also required to complete writing prompts on Saturday February 18th at 8 a.m. in the MRHS Media Center. Further information is provided in the application.

The IB Programme is a 2 year commitment to an entire program of studies that focuses on learning and skill development while also seeking to promote global mindedness and character development. The curriculum focuses on helping students learn how to learn. Instead of a single assessment at the end of a course, students complete several assessment components over the 2 year program that will be evaluated towards earning an IB Diploma.

While anyone can apply, we believe the following items predict a higher likelihood of success in this rigorous program:

- **Courses:** To be most successful, students should have completed the following courses: Math 2 Honors or Pre-Calculus, English 2 Honors or Advanced Inquiry, Chemistry Honors, and 3 sections of a single foreign language. If a student wishes to apply but does not meet one of these requirements, he or she may be accepted contingent on completing the course during the summer before enrollment.
- **GPA:** Currently, we do not have a minimum GPA requirement, but GPA is one of the numerical values we use in evaluating candidates. Most candidates who apply have over a 4.0 GPA because we require that students take honors courses when available to be best prepared for the rigors of the program.

Qualities: Students who most enjoy the program are those who love to learn, want to improve their communication skills (writing and speaking), prefer a smaller learning community, and have effective time-management skills.

Students who are accepted into the program must complete a transfer request to attend MRHS for instruction and will be required to provide their own transportation. If you have any specific questions please see Ms. Lawson in the guidance office.

A word is dead
When it is said,
Some say.
I say it just
Begins to live
That day.

Fall Senior Letter

Dear Class of 2017,

Congratulations on making it to this point in your academic career. We are proud of you and encourage you to finish your journey strong. We would like to provide you some preliminary information this fall for your senior year.

Graduation: The ceremony is on Saturday, June 10, 2017 at 7:30 PM at the Winthrop

Coliseum (1162 Eden Terrace, Rock Hill, SC 29733). Please arrive no later than 6:30 to line up. Please be aware of traffic and plan accordingly to arrive on time. A map and directions will be provided for you on a later date. If you have any questions or need directions, then please visit the website (www.winthrop.edu). We will send more specific information about graduation day in the Spring Senior Class of 2017 Letter.

Graduation Practice: Practice is on Friday, June 9, 2017 from 2:00-4:00 PM in the gym. Please arrive no later than 1:45 PM. Be mindful that we must begin at 2:00. Please make sure to make plans to attend the entire practice. Failure to do so will result in not walking at graduation. It is your responsibility to schedule any college functions and work schedules around final exams, graduation practice, and graduation itself. You do not have to wear your cap and gown to practice. If you are speaking at graduation, then you should bring a copy of your speech so you can practice it a couple of times. You will not receive your tickets until the end of practice so make arrangements beforehand.

Attire: Students are expected to dress appropriately and professionally since this is a dignified ceremony. Students at CATA are only permitted to wear CATA issued cords, medallions, and cap and gown. No graduation regalia may be altered in any way.

Ladies: Ladies will need to wear an appropriate dress (or dark slacks) that is no longer than their gown. There should be no collar showing with the gown. Shoes should be brown, tan, black, or navy since the robes are navy. Flip-flops and tennis shoes are not appropriate, however, dressy sandals are appropriate.

Gentlemen: dark pants, a white shirt, black or dark tie or bowtie, and dark shoes (brown, tan, black or navy). No tennis shoes or flip-flops will be allowed. If you have any questions about your attire, then please ask administration.

Senior Cap and Gown Picture: The above described dress code is what you are expected to wear at the senior cap and gown picture on Tuesday, April 25 in the gym. This occurs during second block and you must be present and in appropriate attire to be included in the picture (be here by 10:00 am if you flex first period).

Senior Week is May 22-26: We will be sending more information about Senior Week in the coming months.

Senior Awards Ceremony: The ceremony is on Friday, May 26 at 9:00 AM in the auditorium. All seniors are expected to attend.

Continued.....

Graduation Speeches: Each academy has one senior give a speech at graduation. A committee of the faculty and staff of Central Academy choose the individuals for graduation speeches. Students may audition for consideration to this committee in May in the media center conference room. Please pay attention for the audition date in the announcements.

Past due fees: Past due fees must be paid before students may participate in Prom or Graduation. Please make online technology payments through the Central Academy Website, and make all other payments at the school with the bookkeeper. Mr. Wall and other staff will be calling about past due fees in an attempt to settle all fees by the end of January.

Tickets: Tickets will be on sale beginning May 8– May 26 before/after school in the main office, and will also be available to be purchased online: Each senior will receive four (4) free tickets with the opportunity to buy extra tickets at \$7.00 a ticket. Students can pre-purchase as many tickets as they need (go to the CATA website, click on “online school payments” on the right tab starting May 8).

Tickets will also be sold at the door before the graduation ceremony.

Everyone (including children) must have a ticket to enter the arena.

Students will not receive their tickets until the end of Graduation practice.

Students owing fees will not receive tickets until fees are paid (see below).

Please keep your receipt for the tickets in case there are any questions.

Students can pay cash/check to pay for the tickets, or order online as shown above.

Graduating from high school is dependent upon earning the number and type of credits needed to earn a diploma. Participating in the graduation ceremony is a privilege, one that your family will truly value as they have spent a lot of time supporting you in your academic studies. Please take time to ensure that you are eligible to graduate by earning the credits needed. Please take time to ensure that you are able to participate in the graduation ceremony by making good choices for the remainder of your senior year and by making sure that you have taken care of all financial responsibilities. Specifically, students must pay all fees owed to the school in order to be permitted to participate in graduation ceremonies. This includes fees such as (but not limited to) cafeteria, media center, textbook, athletic, transcript, technology, property fees. Any unpaid fee owed to the school or school system must be paid by Wednesday, June 7 to be allowed to participate in a graduation ceremony. We are contacting parents and want to try to resolve fee issues as quickly as possible.

CATA Rat Rod Harper Corp of America R.A.T. Rod Round-up Challenge - \$5,000 Grant. Currently students from Transportation, Information Systems, Family and Consumer Sciences, Engineering, and Art are involved in the creation of this build. This project will create a bond between academies as they strive to a common goal. The Rat Rod vehicle will consist of a minimum of 10 different parts from 10 different vehicles, and will be road legal and drivable. [CLICK HERE FOR THE RATROD WEBSITE](#)
