Seniors...

If you have or are in the process of completing four Career & Technical Education (CTE) courses, you will be taking the ACT WorkKeys assessment on either Tuesday, November 28th or Wednesday, November 29th. You will be receiving a letter from Mrs. Webb with more information and your testing date.

What is ACT WorkKeys?

ACT WorkKeys Assessments are the cornerstone of ACT workforce solutions. The assessments measure foundational skills required for success in the workplace, and help measure the workplace skills that can affect job performance. The WorkKeys assessment is a multiple choice test that will be given to seniors that have or are in the process of completing four Career & Technical Education (CTE) courses in a specific career cluster and consists of three sections (Applied Math, Graphic Literacy, and Workplace Documents).

Why is ACT WorkKeys Important?

These are skills that employers feel are critical to job success and can help students understand how they can improve their skills for better paying jobs. Students who take the ACT WorkKeys tests have a clear way to demonstrate their abilities to future employers. A large number of students are entering the workforce without adequate skills to qualify them for the jobs they want. By increasing their skill levels while they are still in school, students increase their opportunities for higher salaries in the future.

What do your ACT WorkKeys Scores mean?

Students who successfully complete the three WorkKeys assessments (Applied Math, Graphic Literacy, & Workplace Documents) can earn the WorkKeys National Career Readiness Certificate, a valuable credential for students and job seekers seeking to verify foundational workplace skills. A certificate is provided at the platinum, gold, and silver levels. Students can use their results to identify jobs for which they are qualified for and improve on areas where their skills are weak.

How can you Prepare for it?

To prepare for the WorkKeys assessments students can login to the WorkKeys Curriculum website.

The website for the WorkKeys Curriculum is: <http://workkeyscurriculum.act.org>

Student Username is: school email address

Student Password is: 8 digit date of birth (MMDDYYYY – March 3, 1997) (ex. 03031997).

For more information about the ACT WorkKeys Assessment and the Career Readiness Certificate, see your CDC (Mrs. Webb) or visit: www.act.org/workkeys/
