Dear AP Parents and Students,

AP exams are quickly approaching! The schedule and location of each exam is outlined below.

All students taking morning exams need to report to their exam location at 7:30 a.m. Testing will begin promptly at 8:00 a.m. - late entries to AP exams are prohibited by College Board. Please arrange transportation other than buses as your prompt arrival at 7:30 a.m. is imperative. Students taking a morning exam will be allowed to go to lunch after the exam and then are expected to report to 3rd and 4th blocks. Students leaving school after their exam must have a note from their parent and this absence will be noted as unexcused.

All students taking afternoon exams need to report to their exam location at 11:30 a.m. Late entries are prohibited by College Board. Students taking an afternoon exam will be allowed to eat lunch prior to the exams. These exams may run past the 3:00 p.m. dismissal; therefore, please arrange for appropriate transportation. Students taking an afternoon exam are expected to report to 1st and 2nd blocks.

\*\*Students with approved College Board accommodations need to see Mrs. Austin for exam locations.\*\*

Students should bring two sharpened No. 2 pencils (with erasers), two black or blue pens, and an approved calculator (and extra batteries) for those tests that allow them.

Table with 3 columns: Date, Exam Subject, and Location. Rows include dates from May 4 to May 24 with subjects like Calculus AB, Physics 1, Art History, World History, Psychology, English Language & Comp, Biology, Environmental Science, Computer Science Principles, Statistics, English Literature & Comp, US History, and Calculus BC.

Cell phones and any other electronic devices are prohibited. Food and drinks are also prohibited in the testing room; however, students may bring a snack and/or drink to enjoy during their 10-minute break. Please refer to your student bulletin if you have any questions.

Good luck on the exams and please feel free to contact me if you have any questions.
