

Parkwood Middle School Dress Code 2017-2018

Parkwood Middle School holds high expectations for all students to represent the school in a way that exemplifies good character. Parkwood Middle has a standard dress code policy for all students to ensure students have the opportunity to go to school in an environment conducive to learning without disruption because of student dress or appearance. Administration reserves the right to deem any article of clothing or accessory inappropriate if it distracts from, or causes an interruption to, the learning environment. Words, logos, slogans, pictures, or acronyms on garments that promote alcohol, drugs, tobacco, gang affiliation, nudity, sexual activity or profanity are not allowed. The education of our students is the highest priority and students' clothing should not serve as a hindrance to that purpose. The administration and staff at Parkwood Middle School believe that all students should seek to represent themselves in an appropriate and respectful manner at all times.
