What to Expect for High School Students

Career Exploration

College Readiness

**Set personal and
academic goals**

**Student choice in
courses and levels**

**Contribute positively to
school and community**

**Learn to make
good decisions**

**Students transition
to Independence**

**Student involvement in areas
of passion and strength**

Overview of Credits and Schedules

- Four by Four Block
 - Fall Semester (Aug. – Jan.) – 4 classes
 - Spring Semester (Jan. – June) – 4 classes
- 85 minute class periods
- 30 minute daily Pirate Prep
- Final Exams in every class the last 5 days of each semester
- Final Grade is the average of the 3 six week reports cards and final exam grade
- GPA – Grade Point Average begins

Overview of Credits and Schedules

- Attendance matters and students should be in school EVERY period, EVERY day.
- Students can fail a course based on missing too many days (more than 7 in a course)
- Attendance is taken every period - not on a daily basis
- In HS it is the Student's responsibility to talk to the teacher and get any work missed and meet the teacher's makeup work timeline
- If a Student fails a course required for graduation, they have to repeat it and pass the course.

HS Graduation Requirements

English	4 Credits: I, II, III, IV
Math	4 Credits: I, II, III and a 4th Math Course.
Science	3 Credits: Earth/Environmental Science, Biology I, and a Physical Science
Social Studies	4 Credits: World History, Civics and Economics, and American History I & II,
Second Language	Not required for graduation. Required to meet minimum application requirements for UNC colleges.
Health/PE	1 Credit: Health/Physical Education
Academic Electives	6 Credits - 2 must be from either Arts, CTE or Second Language and 4 recommended concentration from either CTE, JROTC, Arts, or other academic subject area
Electives	6 elective credits from any area
Total Credits	28

8th Grade
Language Arts

- CP English I or Honors English I with teacher recommendation

English I

- Advanced Inquiry Honors

Pre-Algebra
(If Math is a weaker
subject for your student)

- Foundations of Math I (1st semester) & Math I (2nd semester)

Pre-Algebra
(A, B & C grades)
Transitional Algebra

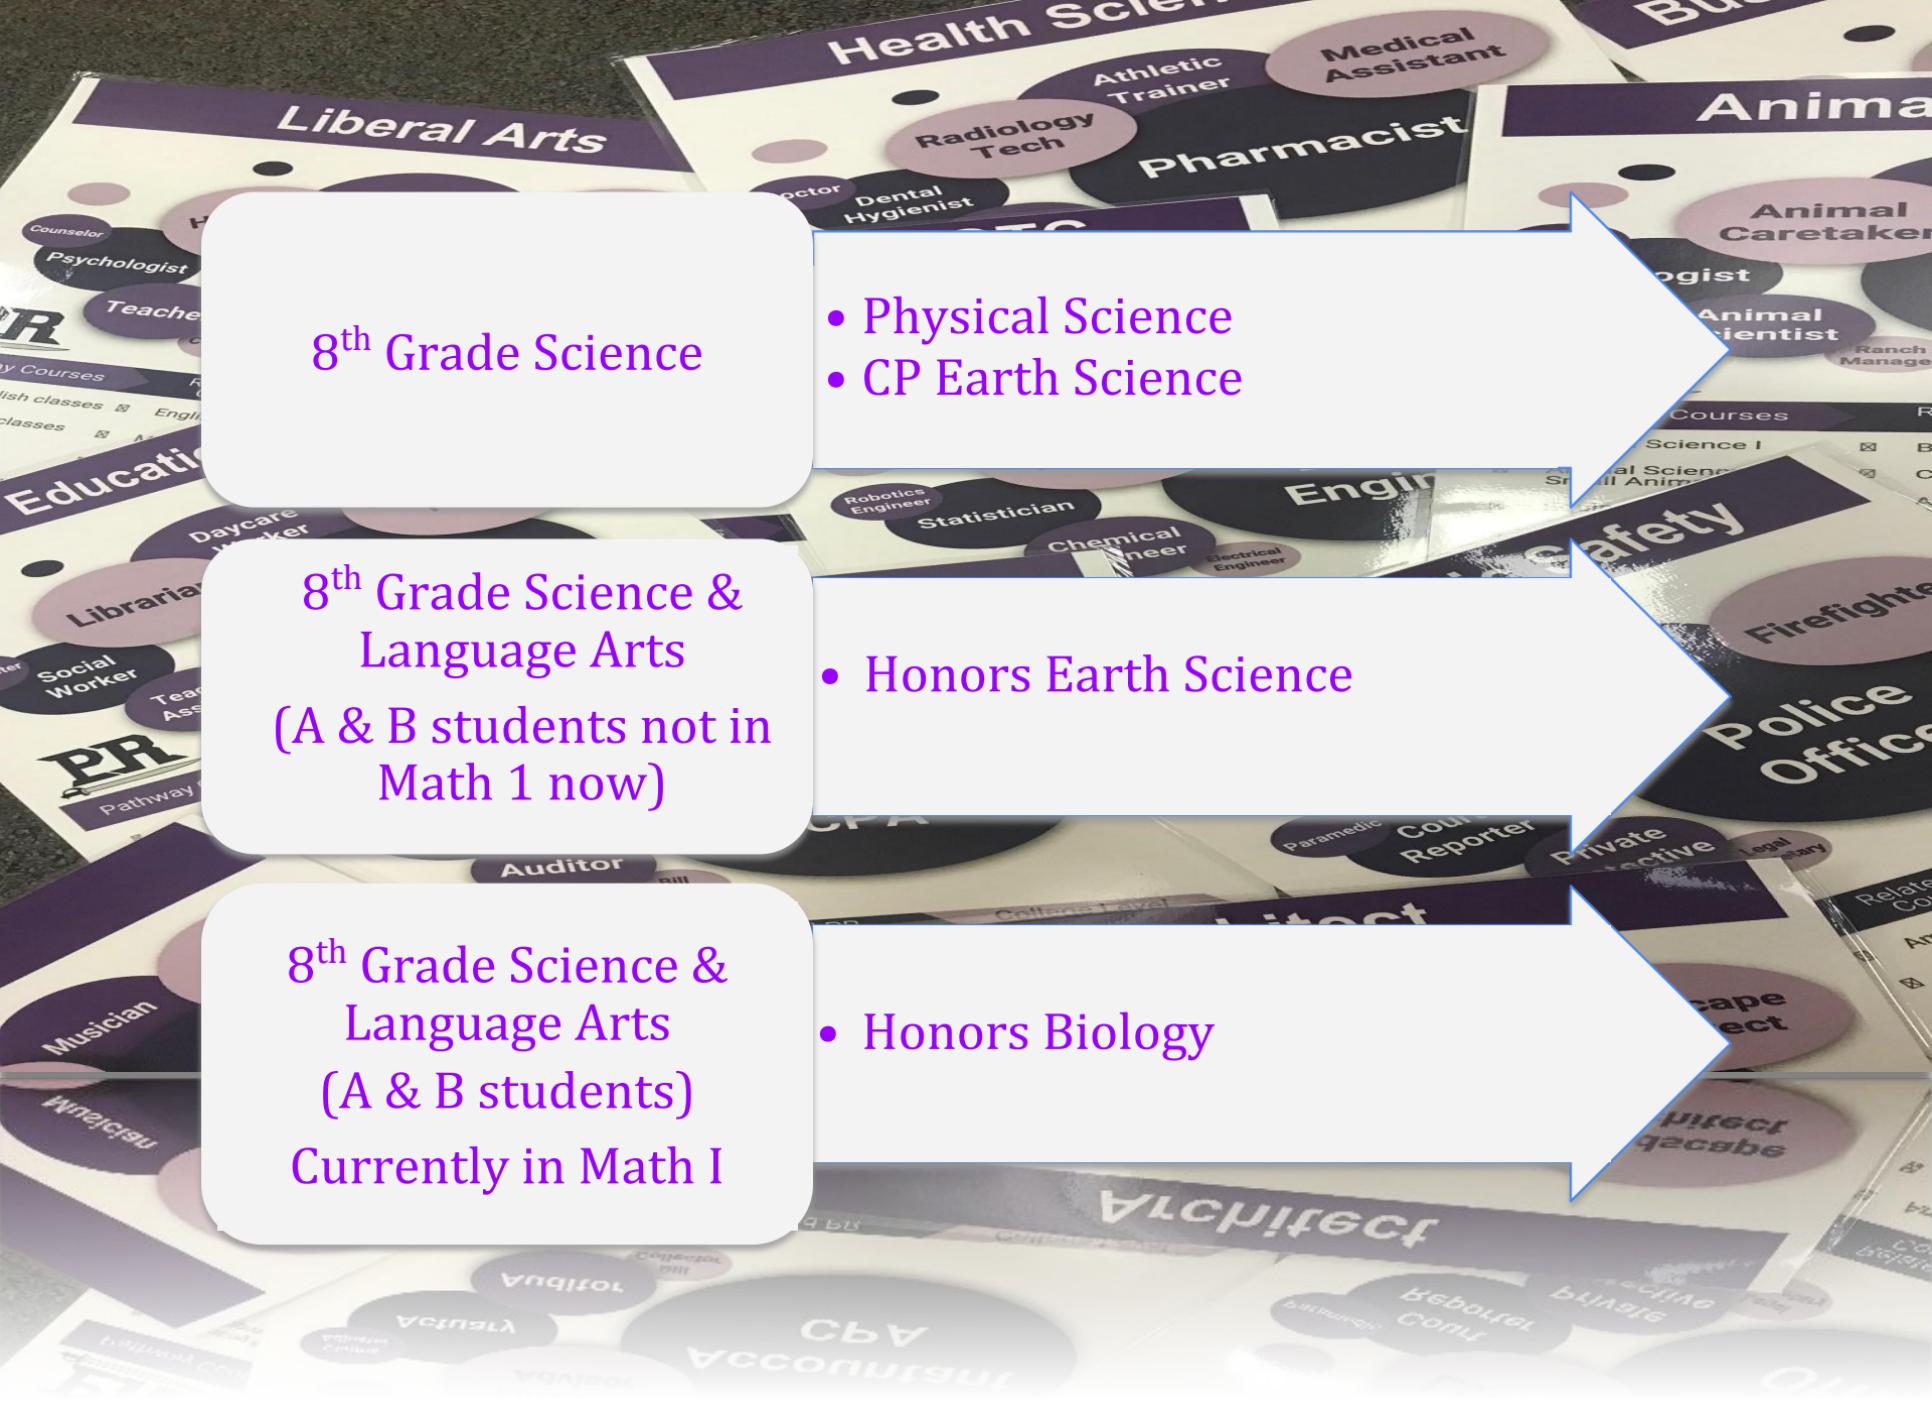

- Math I

Transitional Algebra
(A & B grades)

- Math I Honors

Math I

- Math II CP
- Math II Honors

8th Grade Science

- Physical Science
- CP Earth Science

8th Grade Science &
Language Arts
(A & B students not in
Math 1 now)

- Honors Earth Science

8th Grade Science &
Language Arts
(A & B students)
Currently in Math I

- Honors Biology

The background is a collage of various career path cards. Visible cards include 'Liberal Arts' with roles like Historian, Lawyer, Writer, and Teacher; 'Health Sciences' with roles like Doctor, Radiology Tech, and Athletic Trainer; 'Animal Sciences' with roles like Animal Caretaker and Zoologist; 'Engineering' with roles like Aerospace Engineer and Automotive Engineer; 'Architecture' with roles like Landscape Architect and Geodetic Surveyor; 'Education' with roles like Librarian and Social Worker; 'Fashion Design' with roles like Musician and Composer; and 'Business' with roles like Accountant and Auditor. A large white arrow points from the left towards the right, containing the text for the 8th Grade Social Studies course.

8th Grade Social Studies

- CP World History
- Hon World History
- Civics/Economics Honors

The background is a collage of various career cards. Visible cards include 'Liberal Arts' with roles like Historian, Lawyer, Writer, and Teacher; 'Health Science' with roles like Doctor, Radiology Tech, Athletic Trainer, and Medical Assistant; 'Animal Science' with roles like Animal Caretaker, Zoologist, and Animal Scientist; 'Education' with roles like Librarian, Social Worker, and Teacher Assistant; 'Engineering' with roles like Cyberspace Operations and Radiology Tech; 'Safety' with roles like Firefighter and Police Officer; 'Architecture' with roles like Landscape Architect and Architect; and 'Arts' with roles like Musician and Music Composer. The cards are overlapping and feature purple and white color schemes.

Health/PE

(required for all in 9th grade)

Electives: Weightlifting, Team Sports, Fit for Life, Speed & Agility

The remainder
of your
required
credits are
ELECTIVES

- More core classes
- Arts
- Career & Technical Education (CTE)
- World Languages
- some PE classes

World Language Electives

If you are pursuing
3-4 levels of a World
Language

- Level I (Level II if taken in MS):
French, Latin or Spanish

If you are considering
taking a World
Language for UNC
requirements

*Native Speaker will
take level II or III

- Recommend student
to begin a language in
9th or 10th grade

Pathways of Interest Guide Student Elective Choices

- PRHS has created Career Pathways to help assist students in selecting courses throughout their high school years
- These 14 pathways are to help students prepare for their future studies and a career
- Each pathway includes careers students can explore and related courses offered at PRHS and in UCPS
- Careers listed vary in educational requirements
- To learn more about PRHS Career Pathways, please visit **our PR website under the Academics tab or <https://www.ucps.k12.nc.us/domain/1990>**

- PRHS Career Pathways are:
 - Air Force JROTC
 - Animal Science
 - Architect
 - Arts
 - Business Management
 - Culinary
 - Digital Media
 - Education
 - Engineering
 - Finance
 - Health Science
 - Information Technology
 - Law & Public Safety
 - Liberal Arts

Students will choose a Pathway mid-end of Freshman Year

Example of a Ninth Grade Schedule

Fall Schedule (August- January)		Spring Schedule (January-June)	
1 st	English 1	1 st	World History
2 nd	Health/PE	2 nd	Math I
3 rd	Career Management	3 rd	ROTC
4 th	Earth Science	4 th	Theatre I

PRHS CAREER ACADEMIES

Porter Ridge HS has FIVE Academies that students at PRHS and throughout UCPS can enter during their Junior and Senior years:

- Culinary Arts Academy
- Veterinary Assisting Academy
- Pharmacy Technician Academy
- Architecture, Engineering, and Design Academy
- Digital Film Editing & Production Academy

Student Support in High School

- **Exceptional Children** are served through an Individual Educational Plan (IEP). Transition meetings will be held at PRMS and a PRHS representative will be there. PRMS will contact you regarding these meetings.
- Students with **504 plans** are served and our School Counselors serve as Case Managers
- Students who are **English-language Learners** receive services according to their EL plan.

Student Support in High School

- PRHS has a **Student Support Team (called PReSS)** that uses data along with Teacher, Student, Counselor, and Parent feedback to support struggling students.
- **School Counselors** in HS are available for appointments with student struggling with social, academic, or family issues.
- PRHS has a **Social Worker** and **Behavioral Health Therapist** to support student needs.

Student Support in High School

- **All Students are assigned to an Advisor** who will be with them all four years. Each advisor gets to know these approximately 25 students well during our weekly Pirate Advisory. Students participate in weekly Advisory meetings that focus on study skills, college preparation, career exploration, academic advising, resume building, social skills, emotional well-being, healthy choices, motivational sessions, communication with others, and much more. Advisory activities are differentiated by grade level.

Student Support in High School

- All Teachers offer **tutoring** times to students in their courses.
- All Teachers utilize **Canvas as the online learning platform** for resources and materials.
- All **Students have access to Naviance** which the HS uses as a career exploration and/or college exploration tool.
- **Student-Athletes** are supported by the Coaches, AD, and starting this spring - a Student-Athlete Support Advocate

Course Levels Available during HS

- **College Prep (CP)** – Standard level courses to prepare for college.
- **Honors (HN)** - These courses demand greater independence and contain more challenging material than College Prep Level courses.
- **Advanced Placement (AP)** – Course content, pace, and academic rigor are college-level as adopted by the College Board and prepare students to take the AP examinations which may lead to college credit. This course requires the highest level of independence.

Grade Point Average

- Used to determine Class Rank
- Used by colleges for admission decisions
- Used to determine eligibility for Career and College Promise Program, scholarships, honor society membership, graduation honors, and athletic eligibility

Grade	Final Mark	CP	Honors	AP
A	90-100	4.0	4.5	5.0
B	80-89	3.0	3.5	4.0
C	70-79	2.0	2.5	3.0
D	60-69	1.0	1.5	2.0
F	0-59	0	0	0

Course Selection Process for HS

March 28th & 29th

Student presentation and students receive registration materials

March 28th - April 12th

Students enter course selections into Power School through student account

April 12th

Last day for courses to be submitted in to powerschool. Any course level change forms due to Ms. Lefko at PRMS.

April 29th & 30th

High school counselors meet with 8th grade students to review course selections

- **The English, Math, Science and Social Studies course recommended by your students teacher will already be in powerschool under course requests.**
- **If a parent would like to change the level recommended by the teacher a signed Course Level Change Form must be turned in by April 12th to Ms. Manwell – middle school counselor.**

Testing in HS

- Quizzes and Tests count for a large percentage of course grades. This varies by course and teacher.
- Every Course has a final exam. Final exams count for 25% of entire course grade.
- The majority of courses have a state-made final exam.
- Final Exams must be given in the 5-day exam week at the end of each semester.
- A minority of courses have teacher-made exams and these may be exempted for students with an A or B depending on their attendance.
- All students also take: pre-ACT, PSAT, SAT, ACT
- Students in AP courses must take the AP exam to maintain their course grade.

High School is not just about what happens in the building during the school day - but it includes:

- friendships formed and relationships with peers & teachers
- groups you belong to and are active in
- internships, jobs, experiences
- how you reach out to each other and the community
- how you support your school as a Pirate
- how you develop into an independent person!
