Factors which determined the ratings include the following: academics, teachers, clubs & activities, administration, food, diversity, college preparation, health & safety, sports, and facilities & resources. This stellar review of our school is a direct reflection of the commitment, hard work, enthusiasm, talent, and teamwork of our students, parents, and staff. It's good to be a Warrior!

Student Accomplishments

Faculty Recognition

The UCPS Influencer Award is a prestigious recognition bestowed upon a small number of UCPS employees who exemplify outstanding service through their work and influence upon others.

Check out this narrative submitted by Weddington Middle School band director Mekel Rogers which led to our band director, **Mrs. Jill Brooks**, being named as one of only two UCPS Influencers for the month of March.

"Jill came to the Weddington Band program in 2012 at a time when I had just turned 40 and was questioning whether to keep teaching or leave the profession due to potential burnout that all dedicated educators face. Jill was 26 at the time and her youthful energy was contagious. Her focus and drive helped to remind me why I began teaching in the first place, and now I can't imagine being at Weddington without her.

Our working relationship has always been one of mutual emotional support. Early on, Jill looked to me for experience and self-confidence. As the years have gone by, I have relied on her just as much for my own self-confidence and well-being. Over the past eight years, Jill has built a successful career at Weddington and has an amazing rapport with her students. For me, though, Jill is uniquely special because she inspired me to keep teaching, and I am thankful that she helped me find my love for my profession again."

Sponsorships/Donations Needed

The Top 20 banquet is an annual WHS event at which the top 20 ranked seniors in the graduating class are recognized for this outstanding accomplishment. The banquet also provides the students with an opportunity to publicly recognize educators in their lives who have had a significant impact on their educational journey. We have been able to facilitate this event over the years only through the generosity of our community through sponsorships and donations. If you own or are a part of a business who may be in a position to become a sponsor or if you as an individual family feel compelled to make a donation, please contact WHS staff member TC Yost (tammy.yost@ucps.k12.nc.us).
