Senior Activities

GRADUATION CAPS AND GOWNS

We are extremely pleased to share that seniors will be able to pick-up their caps and gowns on Monday, May 11. This will be a drive-through event, and individuals in cars will be asked not to exit their vehicles. There will be signage posted which will guide the flow of traffic, and all staff members assisting with the distribution process will follow proper social distancing guidelines. In order to accommodate all of our seniors, it's imperative for students to take note of the following distribution schedule which is set by last name.

*Students with last names A-G should report to the school between 11:00-12:00.

*Students with last names H-O should report to the school between 12:00-1:00.

*Students with last names P-Z should report to the school between 1:00-2:00.

If you have any questions about this process prior to next Monday, please contact Mrs. Jackie Washington or Mrs. Anna Waldrup.

Senior Week

Senior Week has been pushed to May 25-29. We have a variety of things planned for our seniors including yearbook distribution, an academic signing event, a senior awards event, and a few surprises, as well. We recognize that this is not a typical year, but we will do our very best to recognize our outstanding seniors. More to come!

Graduation Update

We expect to have graduation information to our families in the very near future. UCPS was waiting on the graduation survey data from families prior to finalizing plans.

Driver's Education Eligibility Certificates

As shared earlier in the week, students/families may now pick up driver's eligibility certificates from the WHS building by appointment only. The procedures to set up an appointment are detailed in a document attached to this Warrior Weekly email message.

Please remember that these forms are valid for only 30 days. That said, families are urged to set an appointment with the DMV prior to getting the forms. Since the DMV is currently taking appointments only, it could be weeks or even months before someone is able to secure an appointment.

Yearbook

The yearbook distribution plan is almost finalized. We will be utilizing a drive-through style event organized by grade level during the week of May 25-29. Be on the lookout for further details soon!

AP Testing

AP testing begins next week on Monday, May 11. A separate email message with AP testing details will be eblasted to WHS families today (Friday, May 8).
