PTSO NEWS

Gratitude:

As we move on from celebrating Veterans Day with sincere appreciation during this month of gratitude, we just want the families, the veterans, and the military service persons to know how much we do appreciate them. We have great instructors at WHS and throughout UCPS teaching JROTC and fine young men and women participating in this program. They are learning discipline, leadership, commitment, respect, responsibility, and so much more! Thank you for your service and representing the USA!
