Please email fvespto@gmail.com with any questions

Flip Flops Needed!

The front office is asking for flip flops (especially larger sizes) in case a student's shoes break at school. As the warmer weather approaches, the need for flip flops grows and supply is low.

Thank you!!!

Staff Spotlight for April

Ms. Ashley Melton - Assistant Principal

Hometown: Swansboro, NC

College: Wingate University

How many years at Fairview?: This is my second year and I LOVE it!

Favorite restaurant: Chili's - I love their southwestern eggrolls and molten chocolate cake

Name of your favorite elementary teacher when you were in school: Mrs. Guthrie, my second grade teacher. My grandfather passed away that year and she was supportive and nurturing. She went above and beyond for us during school and after school on many occasions.

City you would like to visit: Sydney, Australia - I've always wanted to go to Australia and New Zealand

Favorite sport/team to watch: Carolina Panthers and Tar Heels! Football is definitely my favorite sport!

Favorite thing to do when not at school: I can't pick just one - I love going to dance and yoga classes and I love to read!

Most rewarding part of being the assistant principal: Making relationships and connections with students. I love to watch them grow and mature over time and help them in any way I can - socially, emotionally and/or academically.

Silliest fact about you: I am BEYOND terrified of any kind of snake! I can't even look at pictures of them in books or see them on television.

Which staff member would you like to spotlight next month? Send your vote via [email](#)!
