# Staff Spotlight for October

Mrs. Cameron - 5<sup>th</sup> Grade Teacher

Hometown: Fayetteville, NC

Name of your 5<sup>th</sup> grade teacher: Mrs. Lewis

College: UNC-Chapel Hill

City you would like to visit: Honolulu, Hawaii

Why you became a teacher: I love to teach people of all ages new things. It is so exciting to see someone "get it" and see the pride they have in themselves.

Favorite thing to do when not at school: I love to spend time with my family, playing basketball, swimming, going to the beach, and playing with my dogs.

Most rewarding part about teaching: I know I have a part in helping students become the best person they can be. I love to hear stories of how my former students are successful in school, college, and the working world. I LOVE when former students come back to visit me. If their time in my class made them feel successful enough to look back with good memories, then I feel like I have done something right.

Silliest fact about you: I collect pigs! I started when I was in college and now I have too many to count!

Which staff member would you like to spotlight next month? Send your vote via [email](#)!
