ADOPT A CHILD GIFTS

THANK YOU to everyone that was able to participate in the Adopt a Child program in December. It was a huge success! We would not have been able to do it without everyone's generosity. We were able to help 46 children!

It's time for BINGO!

Join us on March 14th for a fun-filled evening of BINGO!

We are trying to collect \$5, \$10, \$25 gift certificates to give away as Bingo prizes. If anyone has a local business that they frequent/work for/own, we would love donations!

Please contact Carrie Holloway
(carrieallen1@yahoo.com) or Joyce Camp
(jalikazam@gmail.com)
for more information.

Operation Gratitude!

A photograph of a handwritten letter on lined paper. The text is written in cursive and reads: "Dear Hero
You Rule Im in 4th
Grade I love USA. Im not
rooting for Iraq. Thank you
for protecting us. When you
say USA. I just say Hurrah.
God Bless America Go Red
White Blue. I salute you soldier.
I promise to love my country
more than anything in the world.
Sincerely, Christian"

During the month of
November and December,
our 4th and 5th grade
students were taught a
lesson on gratitude.

Mrs. Seighman, school
counselor, joined up with
a program called
Operation Gratitude.

Each class wrote letters
to a US soldier
expressing their
gratitude for protecting
our country. The
children truly loved this
activity and were so
excited to be part of
this project. Attached is
a letter from one of the
students. Each student
did a fantastic job!

The Book Fair is coming in February! !

The Book Fair will begin on Tuesday, February 4th, 2014 with Family Night and run through Friday, February 7th, 2014. We invite you to visit the Scholastic Book Fair and explore the amazing selection of books. Mark your calendar for Family Night on Tuesday, February 4th, 2014 from 12 PM - 7:30 PM where the whole family can join in the fun! And you can contribute to your child's classroom by purchasing gift certificates for the teachers to help build their classroom libraries. The Book Fair is a great way to get everyone excited about reading. See you there!

3RD GRADE NEWS

Hello parents to our wonderful 3rd graders! We hope you all had a wonderful holiday and break. As the new year begins, please be sure that your child completes his/her homework on a nightly basis and develops great study habits and work ethic. We will be diving into multiplication, division, and fractions in math. These can be very challenging for some students, but they are the foundation for future math concepts.

Reading/Writing - During the month of January, the students will be learning about Poetry. In reading, the students will immerse themselves in reading a variety of poems. They will identify the structure of poetry by noting the style and format of different poetry and becoming familiar with poetry features such as line breaks, stanzas, phrases, and verse. The students will also practice writing different styles of poetry.

Math -The students continue Unit 5 where they are applying their knowledge of place value to compare, order, and round numbers. They are using rounding to estimate sums and differences, applying their money skills to make change, and solving complex word problems. The word problems involve problems with extra or hidden information, not enough information, and two-step word problems.

Social Studies - Unit 5: People and Economics-The students will learn about why people in a community depend on one another to make, buy, and sell goods and services.

Science - The students will learn about the sun, stars and planets as we explore the unit "Objects in the Sky."
