

Dear Parent/Guardian,

I am sending this letter to gather information about students who have health needs. Please fill out the reverse side of this form, "Request for Health Information," regardless of if your student has medical needs that could affect learning or might require emergency care during the school day. A health care provider's written diagnosis is required in order for an Individualized Healthcare Plan to be developed by the school nurse. Also, please let your school nurse know if your child participates in extracurricular school activities.

Chronic Health Conditions

- Please complete the reverse side of this form.
- If your child has a life-threatening condition/allergy, please notify the school nurse and any other staff members who will be in contact with your child (including afterschool care, cafeteria/bus driver/coach/extracurricular activities).
- Contact the school nurse if you need to schedule a conference to discuss details regarding the development of a health care plan for your child.
- Provide necessary changes that occur during the school year, either with contact numbers or your child's health condition.

Medication Administration

- Medication must be sent in the original container if it is an over-the-counter medicine or a prescription bottle if it is a prescription medicine.
- Please check expiration dates. School personnel are not allowed to give expired medications.
- The school does not provide any medications, including ointments, creams, pain relievers, eye drops, etc. Any medication given at school must be provided by the parent/guardian.
- A medication consent form is required for any medication given at school.
- **Signatures from a parent/guardian AND the student's health care provider are required for ANY medication to be given at school. This includes prescription as well as over the counter medications.**
- Faxed consents from parents and/or doctors are acceptable.
- The entire UCPS medication policy may be viewed online at www.ucps.k12.nc.us

If you have questions or concerns, please contact the school. I would be happy to speak with you.

Sincerely,

School Nurse
