

# Mr. Singletary's Weekly Updates

Good Evening SVHS Family,

This is principal Singletary with our weekly updates and reminders. I am hopeful to continue a tradition of continuous communication between our community and our school. This is the first such message of the 2017-2018 school year, and I am thrilled to share with you some of the highlights of this week.

For Parents and Students

### **COLLEGE NIGHT (SENIORS ONLY)**

Sun Valley High School's college and career readiness office is holding a college night on **Thursday, September 14th at 6 pm** in the Sun Valley High School auditorium. We are excited to share resources and information pertaining to scholarships, future events, important deadlines, and more. During this event, you will have a chance to get all the information you need to help your child get ready for the journey to college, and just know we will be right by your side the entire way. Please come and join us as we will have a few giveaways to families that engage in this important first step to getting your child into the college of his/her dreams. More information will come this week.

The Parent Portal will be open for you to review your student's academic progress after the 10<sup>th</sup> day of school.

Finally, I personally want to thank everyone for a great start to the school year. With continuous communication and a TEAM (Together Everyone Achieves More) the future will remain positive and bright!!

Ray Singletary
