Dear Principals and Counselors:

Each year in June, Union Power Cooperative offers three high school juniors the opportunity to attend an all-expense-paid trip to Washington, D.C. for the North Carolina Electric Cooperative Youth Tour.

The program brings over 1,800 students from across America together to learn about our nation's capital and history, visit national monuments, meet legislators and much, much more. Over 45 students from North Carolina attended this past summer.
