EDUCATIONAL OPPORTUNITY

School attendance contributes to academic success. Whenever possible, family vacations should be taken when school is not in session. Students who miss a significant number of days are at risk for lower academic achievement.

To request that your child's absences be "Excused" due to a family trip, parents must complete the following form and return to Mrs. Romanowski at least 10 school days before your trip.

After reviewing the completed form, you will be notified whether or not your request was approved.

Please note the following:

- A student may receive up to 5 Educational Opportunity days per school year.
- It is the parent / student's responsibility to request any work PRIOR to the absences.
- If this request is approved, the student is required to make a presentation to the class about the educational opportunities provided by this trip.
- Prior to the trip, it is the parent's responsibility to communicate with the teacher as to what type of presentation is expected from the student.
 - Presentations could be: Power Point presentation, photo album with photos labeled by student, oral presentation, etc.
 - The presentation must be done within in 5 school days of the students return and reflect the opportunities that you described.
- Absences will be "Unexcused" until your child's teacher has notified the data manager that the student has given their presentation.

If you have any questions, please contact the school at 704 296 6355 or e mail Mrs. Romanowski at kelly.romanowski@ucps.k12.nc.us.
