Spring Fest

We will be hosting our First Annual Spring Fest Thursday, April 4th from 6:00-7:30 pm. We will have a yard sale and crafts for the kids! The grade level with the most students to attend will have an ice cream party! This event will begin immediately following the PTA Annual Elections meeting!

As a School of Choice, Marshville Elementary is now open to students outside our attendance zone. Invite your friends to join the Marshville Family where kindergarteners and 1st graders will be able to take advantage of our Dual Language Immersion (DLI) program in Spanish and English as well as AVID school wide. Existing families will receive a "front of the car rider line" pass for the 2019-20 school year for referring a family out of zone who chooses to enroll. Let's expand our family with friendly, familiar faces!

STAR STUDENT

Scarlett Horne
Scarlett has been helping a friend make better choices in class. She especially loves to help her finish her shared reading! Thank you for being responsible and a good friend Scarlett!

Read Across America

“Read Across America is an annual reading motivation and awareness program that calls for every child in every community to celebrate reading on March 2, the birthday of beloved children’s author Dr. Seuss.”

<http://www.nea.org/grants/read-across-background.html>

On **Friday, March 1st** our school will celebrate Read Across America and the birthday of Dr. Seuss! Students and teachers are encouraged to **dress up** as their favorite **Dr. Seuss Book Character** or wear Red and White!

Advancement Via Individual Determination

When Teachers are Engaged, Students Succeed

Student success has always guided our AVID mission.

All the funding, requirements, new technology, educator trainings, and curriculum are meaningless unless students can achieve their future college and career goals. Marshville has passionate teachers who have genuinely high expectations and are creating lifelong connections and positively impacting the trajectory of their students’ lives every day. This begins to shift their beliefs about teaching and learning, allowing them to cultivate a growth mindset—for both themselves and their students because of the AVID Effect!
