

THE BEAVER BULLETIN

Marshville Elementary (Union County, NC)

@MarshvilleES_NC

Est. 2017 Volume 3. Issue 40.

May 28, 2019

IMPORTANT INFO

As your 3rd, 4th or 5th grade child prepares for the EOG's please remember how important it is for them to be in school on time each morning of an of EOG. Please send your child to school well rested and make sure they have eaten a nutritious breakfast. Remember, our cafeteria provides a free breakfast daily! Our students have all worked very hard and we are already very proud of their accomplishments! Remind your child, "You know it, now show it!"

STAR STUDENT

Jaydn Melchor Cruz & J.J. Carpenter

Mrs. Hargett would like to commend two field day helpers for being awesome! She was so proud of the way they helped and encouraged our PreK - 2nd grade students during field day activities on a very hot day!

Dear Marshville Students and Families,

I can't believe this school year has flown by so quickly. As you head into the summer months, I want to send you with a reminder of all that we have worked toward this school year.

You have heard me announce each morning that *there is power in your reputation. Your words and your actions say a lot about who you are!*

My hope for you as a student is that you will find that these words give you guidance and encouragement to take **PRIDE** in who you are because YOU are the students of Marshville Elementary, and together we are a great family!

Love,
Mrs. Licata

Advancement Via Individual Determination

Summer is right around the corner!!

We would like to encourage you to help your child maintain the skills they have worked so hard to achieve over this school year. Incorporating WICOR, an AVID tool, into your summer activities will help to prevent the summer backslide.

W- Writing I- Inquiries

C- Collaboration

O- Organization R- Reading

*Encourage your child to write by keeping a daily journal or diary, writing notes, cards, letters and list to friends or family members.

*Encourage your child to inquire about things they are interested in by researching, reading books/articles, ask questions and seek out the answers. Going on tours of the areas you visit as a family.

*Encourage your child to collaborate with others by playing games and just talking with friends and family.

*Encourage your child to be more organized by organizing their room, their closet, bookshelves, and writing by organizing their thoughts and lists.

*Encourage your child to read. They should read daily from books of their choice and interest. Visit the library. Have them keep an organized list of books read with a summary of the book and their opinion of the book.

Keep your child involved in positive friendship circles. Encourage them to read, talk, write and play together so that when school begins they will have grown together around activities they enjoy. They will be better prepared if they keep working on the WICOR strategies they have worked on this school year.
