SPONSORSHIP OPPORTUNITIES

The Goal for the 2019 Piedmont High School Athletic Booster Club Golf Tournament is to raise \$20,000, which will help fund the uniform purchases and major needs of the Piedmont High School Athletic Department. The Booster Club purchases uniforms for all sports at Piedmont that need them and this has become a major budget item for the club. In certain years this budget item can cost over \$25,000. The Booster Club also helps with field maintenance costs, facilities upgrade costs, and equipment costs that enable our student athletes to be in the best position to succeed on the fields, courts, and mats.

This is the third year we are hosting our tournament and we are very grateful that Charlotte National Golf Club is allowing us to use their facility. This has become an annual event that will be a primary fundraiser for the Booster Club. We ask that you join us in supporting our student athletes and making their experience at Piedmont the best it can be.

Thank you in advance for supporting the Piedmont High School Booster Club and the student athletes we

serve!
