# PRHS COVID SUPPORT PLAN

EN ESPAÑOL CLIC [AQUÍ](#)

## Academic Support Plan for PRHS Students Quarantined

In an effort to support students who are quarantined from school as a result of exposure to Covid-19, all UCPS schools along with PRHS will offer a comprehensive support plan that will consist of three tiers. The plan outlines how Porter Ridge High School will offer support to students who are quarantined.

- **Tier 1** - Your student's classroom teachers will serve as the primary resource for academic support and that teacher of record will be able to answer any questions you may have about course content. Classroom resources and daily assignments will be provided through Canvas to students who are quarantined by the school nurse. Students who are quarantined are asked to contact their teachers directly regarding questions pertaining to that coursework. Students who are quarantined are expected to keep up with coursework by accessing Canvas and other resources that their teacher provides every day.
- **Tier 2** - In the event that a student needs support in addition to the classroom teacher, we have developed an additional layer of support in Math, English, Science, and Social Studies that will take place in the virtual setting outside of the normal school day. This would involve a PRHS teacher from that department that may not be the student's specific class teacher. Specific information regarding Tier 2 support will be shared with any student who is quarantined.
- **Tier 3** - UCPS will provide district tutors that can be utilized per parent request. At this time, tier 3 is being developed. More information regarding Tier 3 support will be forthcoming.

If you have questions regarding Porter Ridge High School's Covid quarantine support plan, please contact our lead counselor, Ms. Ashley Lawson, via email at [ashley.lawson@ucps.k12.nc.us](mailto:ashley.lawson@ucps.k12.nc.us) or by calling the school.

If you have questions regarding Covid, please contact our school nurse, Nurse Charlee Williams, via email at [charlee.williams@ucps.k12.nc.us](mailto:charlee.williams@ucps.k12.nc.us) or by calling the school.

Respectfully,

Kim Fisenne, Principal

## Announcements

**Seniors: Please check your emails to register for a Senior Meeting with your counselor!**

StudyPoint is offering the practice test events, and since they do so virtually, you can take the practice test from your home. Anyone who participates will also receive a free score analysis that breaks down how you did by section, question type, and content area so you can get a sense for where you might want to do some review prior to the real thing.

They run multiple practice tests each week. If you're interested you can view available dates and register for a test at <https://site.studypoint.com/virtual-practice-tests>.
