MAJOR CLARITY

“Major Clarity”

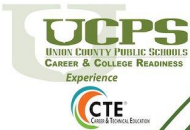

UCPS is utilizing a program called Major Clarity for career resources this year. It is similar to Naviance, but with a lot more resources for careers. All Porter Ridge High School students have a Major Clarity account and they can access it by going to the UCPS High School Student Start Up page and click on their NCEdCloud IAM Clever title to login in. Students will then click on the Clever tile. Click on Student & Teacher Log in with NCEDCloud and scroll down until they see More apps and select the Major Clarity tile. Once they are in their Major Clarity account, on the left hand side they can select assessments and take the Personality Assessment & Learning Styles Assessment. After the student takes the Personality Assessment, back on the left side they can click Career Exploration and either search for what they would like to see or if they scroll down, they will see careers that have a Fit Score and click on them to learn more about each career. Below are screenshots as well. Another resource in Major Clarity students can earn Micro-Credentials. Micro-Credentials can be received after students complete a mini course. These credentials can help students take the next step in their career discovery and help them stand-out by earning subject matter micro-credentials, built in partnership with leading employers and educational institutions. If you have any questions or would like more information, please email Ms. Webb at sarah.webb@ucps.k12.nc.us.
