

School Updates:

- We are closing out the 3rd week of the second grading period. Progress reports will be available through the Parent Portal by Friday. Please be sure that you are reflecting on your grade, discussing with your parent/student, and talking directly to your teacher about how you can do your very best!
- A reminder that on Remote Days teachers provide independent work for students to complete. This day occurs weekly on Fridays. This work should take about 90 minutes for students to complete. While students do not have to complete it during their class period, they should remember that if they choose to complete it after school hours, teachers may not be immediately available for questions or assistance.
- Altered Schedule Week of 10/19
 - M/T students attend school as normal on 10/19 & 10/20
 - W/Th students only attend school on Wednesday 10/21
 - ALL students will have their Remote Day on Thursday 10/22.
 - Friday 10/23 is a Teacher Workday and there is NO school for students - in person or remote.
- Leadership High School - PRHS continues to work toward becoming a Leadership High School. We are in year 2 of implementation. The lessons, during this time, extend on the Seven Habits for ninth graders and 'finding your voice' for upperclassmen. Our student LEAD team is working to make improvements in the school visually and through connections with community members.

Some universities have competitions to select students for full-ride scholarships. These are highly competitive. At Porter Ridge, students apply to be considered as the PRHS nominee. Students complete an application and our school scholarship committee, consisting of school counselors, an administrator and teachers, reviews the applications of students and chooses our school nominee(s). The student(s) selected as our school nominee then applies directly to the institution for the larger competition.

Below are the links to information about the individual scholarships and their applications.

Some of the scholarships allow students to self-nominate if they are not chosen as their school's nominee. Please see the individual scholarship websites for more information. Feel free to contact Ms. Patterson with any questions.
