Volume 5, Issue 11: October 20, 2022

Dear Pirate Family,

The **first six weeks grading period** has ended.

Students have 75% of their grade to complete (2 more grading periods and exams). Students are reminded to keep up with their grades in PowerSchool and check with teachers about their progress in class. **Report went home on October 18 for the first grading period.**

Attention all **Sophomores!** We will be administering the **PreACT to all 10th graders** on Monday, October 24th. Please bring your own calculator. This is great practice for preparing for taking the ACT as a junior. Please see any of your teachers for testing location information. Locations are listed on [page 5](#).

Our **Pirate Recovery** sessions for students who need to recover absences, improve grades, need tutoring, and need help with homework have started. Please check out [page 2](#) for full details. Sessions are on Monday, Tuesday, and Wednesday of each week from 3:10 to 4:10 PM in the media center. We will have a Math, Science, English, and Social Studies teacher here for students.

Our Alma Mater is entitled: **Waves of Commitment:** We are asking our students to commit to the following goals: be at school on a consistent basis, complete all assignments, be nice to each other, and discover individual talents and interests. Check out [page 3](#) for more information.

Students are reminded to continue to check the **Student Canvas Announcement Page** to be updated daily on events at PRHS.

Please review our table of contents on this page and use this newsletter to stay informed throughout the year, as well as, our [PRHS Website](#). The Pirate Press is the main form of communication from school to home.

ACADEMICS, LEADERSHIP & ADVISORY

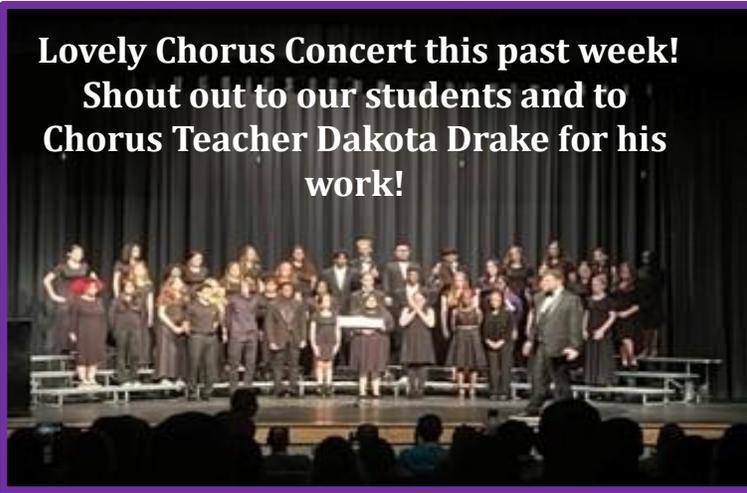

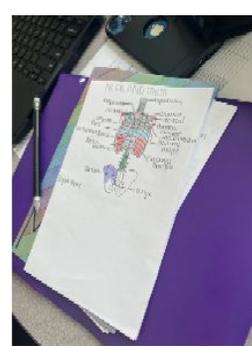

PRHS TEACHER OF THE YEAR FINALISTS! MR. BEARD, MS. SCHULLERY, MS. STEGALL! CONGRATS TO ALL! THE NEXT STEPS ARE OBSERVATIONS AND INTERVIEWS FOR THE PRHS TEACHER OF THE YEAR!

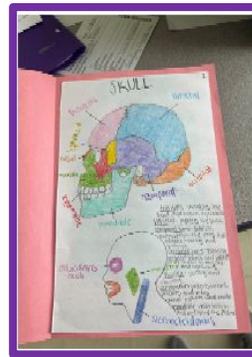

Students in Ms. Clontz's Health I Honors classes at Porter Ridge High School, developed their own Muscle and Bone books. In the previous weeks the students covered the skeletal and muscular system in class which lead up to the project. The students had to put together the muscles and bones, as well as, explain how they function together. Each student was given a rubric that listed what bones and muscles needed to be included in their book, but it was up to the student to decide how they would present the items in the book. It was neat to see how each student developed their own book in a way that made them understand the material better and see how the two systems work together.

CONGRATULATIONS TO DR. FISENNE. SHE IS A FINALIST FOR UCPS PRINCIPAL OF THE YEAR! THE PRINCIPAL OF THE YEAR WINNER WILL BE ANNOUNCED IN OCTOBER!

FEE WAIVER ELIGIBILITY

During College Application Week, many NC schools provide free applications to students, which is awesome! But some students can qualify for fee waivers so they can apply for free at any time. Below is the list of eligibility criteria. If you meet one or more of these criteria, please request a fee waiver on Scoir by clicking on “Application Documents” just like you do for a teacher recommendation, and then follow up with an email to your counselor stating which criteria you meet. We have to check off which criteria on our end before we sign it, so we need to know!

Fee Waiver Signature

Economic Need — The applying student must meet at least one of the following indicators of economic need. In order to sign this fee waiver, you must select at least one economic need. If you select “Other,” you must describe your knowledge of this student’s circumstances and explain why an application fee would present a financial hardship.

- Student has received or is eligible to receive an ACT or SAT testing fee waiver.
- Student is enrolled in or eligible to participate in the Federal Free or Reduced Price Lunch program (FRPL).
- Student's annual family income falls within the income Eligibility Guidelines* set by the USDA Food and Nutrition Service.
- Student is enrolled in a federal, state, or local program that aids students from low-income families (e.g., TRIO programs such as Upward Bound)
- Student's family receives public assistance.
- Student lives in federally subsidized public assistance.
- Student is a ward of the state or an orphan.
- Other request from high school principal, high school counselor, financial aid officer, community advisor / leader or other official who can attest to the student's circumstances. Given my knowledge of this student's family circumstances and after reviewing the eligibility guidelines, I believe that providing the application fee would present a hardship.

Other Explanation:

Please explain...

Certification and Consent

- I certify that the student named on this form is either currently enrolled in the 11th or 12th grade at the school listed, OR if not currently enrolled, is an individual who is seeking enrollment as an undergraduate to a postsecondary institution; AND meets the indicator(s) of economic need. Additionally, I understand that when I click the “Save and Sign” button below, I will be affixing my digital signature to this fee waiver document.

MAJOR CLARITY

“Major Clarity”

UCPS continues to utilize a program called Major Clarity for career resources. All Porter Ridge High School students have a Major Clarity account and they can access it by going to the UCPS High School Student Start Up page and click on their NCEdCloud IAM Clever title to login in. Students will then click on the Clever tile. Click on Student & Teacher Log in with NCEdCloud and scroll down until they see More apps and select the Major Clarity tile. Once they are in their Major Clarity account, on the left hand side they can select assessments and take the Personality Assessment & Learning Styles Assessment. After the student takes the Personality Assessment, back on the left side they can click Career Exploration and either search for what they would like to see or if they scroll down, they will see careers that have a Fit Score and click on them to learn more about each career. Below are screenshots as well. Another resource in Major Clarity students can earn Micro-Credentials. Micro-Credentials can be received after students complete a mini course. These credentials can help students take the next step in their career discovery and help them stand-out by earning subject matter micro-credentials, built in partnership with leading employers and educational institutions. If you have any questions or would like more information, please email Ms. Webb at sarah.webb@ucps.k12.nc.us.
