Volume 5, Issue 25: February 16, 2023

Dear Pirate Family,

Fall 2022 Career and Technical Education Certifications are listed on pages 5-8. [Click here](#) to see the student names. Next week we will list our first semester students who earned Academic Bars and Letters.

Please [click here](#) to review the PRHS Tardy Policy. Students are expected to be in class when the tardy bell rings, and not just in the building. Students and parents were notified this week about student tardiness to all classes and students were given consequences. Our car drivers need to leave home earlier to arrive by 8:00 AM and our car rider best practice is to arrive before 8:00 AM. Students are missing the vital first minutes of class, creating a distraction for teachers who have already started lessons, and disturbing other students, as well as, their own academic standing. Students please arrive on time to school and parents please encourage students to arrive on time to school. There is no reason for students to be late to a class during the school day. Students receive, lunch detention, after school detention, and possibly Saturday academy for being tardy too many times. The Tardy Policy is listed on [Page 2](#).

Sophomores that took the Pre-ACT received score reports and tests booklets during advisory on Tuesday, February 14th. Teachers reviewed the score reports with students, however we encourage students to use the details of their report to help prepare themselves for the ACT junior year. The following site provides information on how to read and interpret the score report. [Click Here](#)

Academy applications for the 2023-2024 school year are now open. To learn more about the academies UCPS has to offer and for the application, please visit the UCPS Career Readiness (<https://ucpscte.org/>) page on the UCPS website or see your Career Development Coordinator, Mrs. Webb in guidance. To apply for an academy please visit <https://bit.ly/3YOWzxM>

Students are reminded to continue to check the [Student Daily Announcement Page](#) to be updated daily on events at PRHS. Please review our table of contents on this page and use this newsletter to stay informed throughout the year, as well as, our [PRHS Website](#). The Pirate Press is the main form of communication from school to home.

"Major Clarity"

UCPS continues to utilize a program called Major Clarity for career resources. All Porter Ridge High School students have a Major Clarity account and they can access it by going to the UCPS High School Student Start Up page and click on their NCEdCloud IAM Clever title to login. Students will then click on the Clever tile. Click on Student & Teacher Log in with NCEdCloud and scroll down until they see More apps and select the Major Clarity tile. Once they are in their Major Clarity account, on the left hand side they can select assessments and take the Personality Assessment & Learning Styles Assessment. After the student takes the Personality Assessment, back on the left side they can click Career Exploration and either search for what they would like to see or if they scroll down, they will see careers that have a Fit Score and click on them to learn more about each career. Below are screenshots as well. Another resource in Major Clarity students can earn Micro-Credentials. Micro-Credentials can be received after students complete a mini course. These credentials can help students take the next step in their career discovery and help them stand-out by earning subject matter micro-credentials, built in partnership with leading employers and educational institutions. If you have any questions or would like more information, please email Ms. Webb at sarah.webb@ucps.k12.nc.us.
