CLASS OF '23 SENIOR LETTER

March 20, 2023

Seniors,

We are so proud of your many accomplishments and cannot wait to celebrate the start of a new phase of your life! As the Class of 2023 you have impacted your school and your community in a positive way. We know that this spring will be full of memories and emotion as you move forward in your life. We have included information that you may need about Senior activities. Please remember to keep graduation in your sight - focus on finishing strong and in a way that makes you, your family, and your school proud of your accomplishments. Please read important information about Graduation below.

Arrival: Please arrive at the school as early as 6:30 pm and NO later than 6:45 pm on Tuesday, June 13th. Please park in the middle school parking lot and walk in through the bus lot doors. If you are being dropped off, your parents should drop you off at the middle school parking lot and then they should proceed to the student/staff lot for guest parking. You will check in to receive your name card and if you are graduating with honors, you will receive your medal. Hold on to this name card and do not lose it. This is how the presenter will read your name. You will then be directed where to join your advisory class. **Gates open for parents and guests at 7:00 pm. Parking for guests will be directed by staff and the Sheriff's dept. All guests should be parked by 7:30 pm to have time to walk to the stadium and find seating. Graduation will begin promptly at 8:00 pm.**

Dress Code: Shirt, tie and slacks, or a school appropriate dress. Heels must not be worn as you will be walking on the grass and climbing a steep set of stairs; however, wedges are acceptable. Remember, this is a formal event, and your picture will be taken. Caps and Gowns must not be altered in any capacity. Caps may not be decorated in any way. Gowns must be zipped up the full length. All cords & stoles are worn over the gown. ONLY PRHS issued cords and stoles are acceptable to wear. Tassels start on the right side.

Processional/ Recessional: We will have a formal processional and you will line up in two lines. Please follow the directions of staff and the Junior Marshals at all times. They will also be the ones to tell you where to sit and when and where to get up during the ceremony.

Post-Graduation we will have a recessional where the graduates will exit directly out of the stadium through our PRHS Faculty as a final farewell. Parents and guests will remain in the stands while you exit through the faculty. Students can meet their parents in the parking lot area or at the rear of the school. We recommend you decide this location in advance. Students can take pictures before the graduation ceremony and the following day on the exterior of the PRHS Campus.

Continued on the NEXT PAGE

CLASS OF '23 SENIOR LETTER

Guests: 8 tickets per graduate are available and can be picked up during lunches Thursday 6/1 - Friday 6/2. After that date, seniors may pick up tickets in the main office from 1:00 - 3:00 pm during exam week. You will be asked to sign indicating that you received them. Please put them in a safe place as replacements will not be given. No noise makers, posters, or balloons are permitted at the ceremony. We ask that guests ride together as much as possible as we will have limited parking. Handicap parking is accessible through the student lot. If you have family/guests that need handicapped seating, complete the [form available](#) here and in the Pirate Press newsletter.

Diploma Packets: Students will receive their Diploma packets after walking across the stage. The Diploma packet will contain the graduate's Diploma, senior picture information, a keepsake Graduation Program, and an unofficial and official sealed transcript. **DO NOT OPEN** the sealed transcript; it is the responsibility of the graduate to mail the official transcript to the college/university they will be attending. Parents will be given 4 Graduation Programs to share with all family attending.

Weather: In the event of inclement weather, our first priority would be to delay the ceremony until weather passes. If this is not possible, we will move the ceremony to another date based on weather predictions. Please make sure that you are following all PRHS Social Media and checking the website the day of graduation for weather.

Class of 2023 & Cap and Gown Pictures: On **Tuesday, March 28th during Advisory** the Class of 2023 will take a '23' picture on the PRHS Football Field. Please wear PR clothes/colors. Public Safety 1

"Public Safety 1 provides basic career information in public safety including corrections, emergency and fire management, security and protection, law enforcement, and legal services. Additionally, students will develop a personal plan for a career in public safety. The course includes skills in each area, using resources from the community to help deliver instruction to the students."

Law & Justice 1

"Students desiring to pursue a career in Law and Justice will examine the basic concepts of law related to citizens' rights and officers' responsibilities to maintain a safe society. This course begins with a study of various careers in public safety. The course will explore the history and development of law enforcement in the United States. Students will then examine the components of the criminal justice system, including the roles and responsibilities of the police, courts, and corrections."

Law & Justice 2

"This Honors course is an adapted course aligned with the nationally recognized Certified Protective Officer (CPO) certification through the International Federation of Protective Officers (IFPO). The legal age to obtain one's BLET certification is 21 years of age. NCDPI, in conjunction with a variety of Law Enforcement Agencies across NC, selected the CPO certification as a great opportunity for students to be employed in the field related to law enforcement at the age of 18. Students, who can begin their work experience in this field immediately out of high school can gain both a salary and experience, enabling them to pursue their post-secondary education while they wait to reach the legal age of 21 for entrance into a law enforcement career when desired"

U.S. Military Academies

If you're intending to apply to a military academy, there are some things you should start now: take the ASVAB and ACT or SAT, start thinking about nomination letters and how you'll make sure your representative knows you, write and get the pre-candidate questionnaires and candidate kits. Military academies, unlike most four year schools, really require that you start working on applications during your junior year.

NEXT STOP TEACH UCPS

Want to become **a teacher?**
Start your journey right now in high school!

- Three pathways are offered
- Earn an Associate's Degree from SPCC at no cost
- Attend Wingate University to earn a Bachelor's Degree
- Earn a Gateway to Wingate Scholarship - Students pay no more than \$2,500 per year
- Participate in apprenticeship and internship programs, professional development and student teaching opportunities
- Become a certified teacher within four years after high school

When I enrolled in the Teaching as a Profession class, I expected to learn the basics of how to be a teacher. In other words, I anticipated purely learning how to share information with others, the process of grading tests, finding worksheets, and other responsibilities of a teacher. I learned so much more in this class than I ever had in mind. I gained new insight on how different ages of children act, how to curate a classroom that is inclusive, how each student has a unique learning style, and that a classroom is made up of several different parts, not just the academic instruction.

UCPS continues to utilize a program called Major Clarity for career resources. All Porter Ridge High School students have a Major Clarity account and they can access it by going to the UCPS High School Student Start Up page and click on their NCEdCloud IAM Clever title to login in. Students will then click on the Clever tile. Click on Student & Teacher Log in with NCEdCloud and scroll down until they see More apps and select the Major Clarity tile. Once they are in their Major Clarity account, on the left hand side they can select assessments and take the Personality Assessment & Learning Styles Assessment. After the student takes the Personality Assessment, back on the left side they can click Career Exploration and either search for what they would like to see or if they scroll down, they will see careers that have a Fit Score and click on them to learn more about each career. Below are screenshots as well. Another resource in Major Clarity students can earn Micro-Credentials. Micro-Credentials can be received after students complete a mini course. These credentials can help students take the next step in their career discovery and help them stand-out by earning subject matter micro-credentials, built in partnership with leading employers and educational institutions. If you have any questions or would like more information, please email Ms. Webb at sarah.webb@ucps.k12.nc.us.

STUDENT ABSENCES

- Students must turn in absence excuse notes to the Attendance Counselor **BEFORE** the start of the school day.
- Students are allowed **FIVE school** days after the end of an absence to bring a parent/ doctor note to document the reason for the absence. A parent note must be signed by a parent or guardian with a work and home telephone number for further clarification. An absence will be recorded as unexcused until the parent/ doctor note is submitted.
- After **FIVE** days the absence is recorded as **unexcused/unlawful**. Doctor/Medical notes may be considered after this in special cases. Parent notes will not be accepted after five days.
- All parent notes are subject to review and may result in a required parent-administration meeting in order to be considered.

- 
- Cell phones (headphones) may be used in a respectful manner during class transitions in between class periods and during lunches.
 - Cell phones must be silenced and put away during class periods. Away means stored in a backpack, or in a teacher-designated location.
 - Teachers do have discretion to allow students to use their cell phone for an instructional purpose during class time.
 - If you violate this you will lose the privilege to have your phone (and headphones) during class.
