Volume 5, Issue 6: September 15, 2022

Dear Pirate Family,

The week of September 19 is **Progress Check-in Week**. Teachers will have grades updated for students and parents, and this is the time for parents and students to check grades, so students can right the ship if needed. Teachers will conference on progress with students in each class and help plan a course for success.

UCPS is hosting a **bond referendum community meeting** on Wednesday, September 21 in the PRHS Auditorium at 6 PM.

Students are reminded to continue to check the **Student Canvas Announcement Page** to be updated daily on events at PRHS, as well as, use the provided **Agenda Books** to write down and keep track of important due dates and school events. **Start with Hello Week** promotes connectedness and kindness among students. See [page 15](#) to see what we are doing at PRHS

Please review our table of contents on this page and use this newsletter to stay informed throughout the year, as well as, our [PRHS Website](#). The Pirate Press is the main form of communication from school to home.

# ACADEMICS & ADVISORY

Animal Science students researched some of the search & rescue dogs that assisted with recovery efforts at the crash sites from 9/11. In total, there were approximately 300 dogs who worked after 9/11, but the wall at PRHS is made up of over 50 different dogs that were a part of those missions.

Ms. Welch's advisory talked about self worth and completed "I am..." statements in advisory! A fun chalk activity on a sunny day!

Mr. Beard's classes had a beautiful morning to read and act out Act I of The Crucible in our outdoor classroom.

- Sign up for upcoming College Visits in Scoir - [CLICK HERE](#) for instructions
- **When you’re filling out the Common Application, please ONLY put counselor and teacher names, NOT email addresses.** Because we use Scoir, when you add email addresses, the process of colleges identifying supplemental documents gets held up, and that can mean you don’t hear back as quickly about your application. **If you’ve already added your counselor and/or teacher and their email addresses in Common App, you need to go edit it and take out the email address ASAP.**

# MAJOR CLARITY

## “Major Clarity”

UCPS continues to utilize a program called Major Clarity for career resources. All Porter Ridge High School students have a Major Clarity account and they can access it by going to the UCPS High School Student Start Up page and click on their NCEdCloud IAM Clever title to login in. Students will then click on the Clever tile. Click on Student & Teacher Log in with NCEdCloud and scroll down until they see More apps and select the Major Clarity tile. Once they are in their Major Clarity account, on the left hand side they can select assessments and take the Personality Assessment & Learning Styles Assessment. After the student takes the Personality Assessment, back on the left side they can click Career Exploration and either search for what they would like to see or if they scroll down, they will see careers that have a Fit Score and click on them to learn more about each career. Below are screenshots as well. Another resource in Major Clarity students can earn Micro-Credentials. Micro-Credentials can be received after students complete a mini course. These credentials can help students take the next step in their career discovery and help them stand-out by earning subject matter micro-credentials, built in partnership with leading employers and educational institutions. If you have any questions or would like more information, please email Ms. Webb at [sarah.webb@ucps.k12.nc.us](mailto:sarah.webb@ucps.k12.nc.us).
