## HOW PRHS OBTAINS OUR NC SCHOOL PERFORMANCE GRADE!!

How students prepare and perform is important!

In order to Graduate in UCPS students must not only earn credit for courses, but must also show proficiency on End of Course Tests - Math I, Math III, Biology, & English II. Students must show proficiency with a proficiency score of Level 3, 4, or 5.

As we continue to build a school culture of excellence - we ask all students to do their best on each assessment so that all of our learning and hard work is shown in our School Performance Grade.

ACT, WorkKeys, Math 1 & 3, English II, Biology!!

## *Announcements*

PRHS Interact held their annual holiday party for the pre-K program at Sardis Elementary on 12/12. Members were given a Sardis student as an angel for the winter holiday. Smiles were seen on every face as high schoolers ran around playing with each little one. Fond memories were brought back while playing "duck, duck, goose!", parachute toss, and "Simone says". Afterward members were able to sit down to eat a treat and open their holiday gift with their angel. Simple interactions of "tag, you're it!" or "I am going to name my Barbie after you" or a heartfelt "thank you" reminded each Interact member this time of year is truly for giving back to others.

## STUDENT ATTENDANCE

Student attendance at school is expected and is necessary for students to make the most of their learning. If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student may fail the course due to attendance. (The Principal may consider waiving excused absences if there is a valid reason to do so.)

- Students must turn in absence excuse notes to the Attendance Counselor BEFORE the start of the school day.
- Per BOE attendance policy the school may require doctor/medical notes after 5 days of absences (whether those five days are separate days or continuous days). PRHS will require a doctor/medical note after 5 days of absence. If that is not received, the absence will remain as unexcused. Parent notes are ONLY accepted for the first five days that a student is absent.
- All notes should be submitted within FIVE school days after the end of an absence to document the reason for the absence. A parent note must be signed by a parent or guardian with a work and home telephone number for further clarification. An absence will be recorded as unexcused until the note is submitted. It is important to turn notes in quickly so that teachers know whether the absence is excused or unexcused.
- All parent notes are subject to review and may result in a required parent-administration meeting in order to be considered. All doctor/medical notes are subject to verification with the doctor/medical office.

**\*\*Student-athletes have strict attendance guidelines in order to maintain eligibility for their sport. Any student who is absent for more than 15% of class periods in a semester will be ineligible to compete during the following semester. These absences include excused and unexcused absences.**

Per UCPS Policy, students will not be required to take a teacher-made final exam in a course in the following situations:

1. The student has an average of 90 or above the week prior to the administration of the exam and has no more than 2 unexcused absences in the class; or
2. The student has an average of 80 or above the week prior to the administration of the exam and has no more than 1 unexcused absences in the class.

The exam exemption policy is clear: It is based on unexcused absences. It should be noted that while a student can recover absences for purposes of passing a course, those recovered absences do NOT count toward exam exemptions.

## **TARDY POLICY**

Parents, it is important that students are on time for classes throughout the day. In order to ensure that you are aware if your child is tardy to class we will begin to send home notifications via our ConnectEd communication tool when your child has an unexcused tardy. We do have consequences for excessive tardies at school and these can be found in our [PRHS Student Handbook](#). Staff at PRHS remind students that the expectation is to go directly from one class to their next class, by taking the most efficient route possible. While we allow 5 minutes for each transition, students should report to their next class as quickly as possible and do not need the full five minutes. We find that students who take the most direct path to get to class and do not go into different parts of the building are always on time to class. If tardiness is due to a late bus they will be given a pass to class and will have an excused tardy which does not count against them. Thank you for your support as we teach our children the importance of being on time.

### ***Attend Today and Achieve Tomorrow***

**Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.**

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes should be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student can fail the course due to attendance.
