## 2020-2021 2nd Semester Exam Info

### Students and Parents at PRHS, both Plan A and Plan D:

We are reaching out to you to provide you with the Semester 2 Final Exam dates. Please know that any final exam that is a teacher-made exam will be taken remotely and students will not attend school that day. However, it is a requirement of the State of North Carolina that all state exams be taken on campus under the supervision of a school teacher. Students must be present in the school building on the day and time of their state exam. All classrooms will be cleaned prior to students entering the building and class sections will be distributed among multiple classrooms in order to keep a minimal number of students per classroom and to allow for ample social distancing. Please contact your child's counselor or AP with any questions.

Students will be dismissed at the end of the exam period (for buses, car-rider, student-driver @12:30 p.m.) and teachers will have virtual sessions for review for the exam that will be taken on the following day. These sessions will begin at 1:45 p.m. Monday – Wednesday afternoon.

### Exam Week:

Monday 5/24	1st period exams
Tuesday 5/25	2nd period exams
Wednesday 5/26	3rd period exams
Thursday 5/27	4th period exams

# CDM

## **What is Credit by Demonstrated Mastery**

Credit by Demonstrated Mastery (CDM) is the process by which a student may earn credit for a high school course by demonstrating a deep understanding of the content; without course enrollment or seat time. CDM was designed to respond to the needs of students, families, AIG community, school personnel and leadership.

## **How does student earn CDM?**

Students shall demonstrate mastery through a multiphase assessment, consisting of:

Phase 1: A standard examination, which shall be the EOC/EOG where applicable, or a final exam developed locally; and

Phase 2: An artifact which requires the student to apply knowledge and skills relevant to the content standards.

While the CDM process is open to all students, it not designed for whole groups of students. Likewise, it is not intended to replace the general accelerated pathways local school districts often provide for advanced students.
