

Pirate Press

Volume 5, Issue 24: February 9, 2023

Dear Pirate Family,

This week is School Counselor's Week!!

Students, we hope that you will take time to send a nice email, note, or stop by to thank your counselor!

The Third Six Weeks A and A/B Honor Roll

Students are listed on pages 4-8. [Click here](#) to see the 818 students who made the Honor Roll!

Please [click here](#) to review the PRHS Tardy

Policy. Students are expected to be in class when the tardy bell rings, and not just in the building. Students and parents were notified this week about student tardiness to all classes and students were given consequences. Our car drivers need to leave home earlier to arrive by 8:00 AM and our car rider best practice is to arrive before 8:00 AM. Students are missing the vital first minutes of class, creating a distraction for teachers who have already started lessons, and disturbing other students, as well as, their own academic standing. Students please arrive on time to school and parents please encourage students to arrive on time to school. There is no reason for students to be late to a class during the school day. Students receive, lunch detention, after school detention, and possibly Saturday academy for being tardy too many times. The Tardy Policy is listed on [Page 2](#).

Students, please **return all calculators checked out first semester** from the Media Center by Feb. 13th to avoid having a fine added to your Powerschool account.

Students are reminded to continue to check the [Student Daily Announcement Page](#) to be updated daily on events at PRHS. Please review our table of contents on this page and use this newsletter to stay informed throughout the year, as well as, our [PRHS Website](#). The Pirate Press is the main form of communication from school to home.

How to Create an FSA ID

The FSA ID – a username and password – must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents.

Both parents and students need FSA IDs because most students are considered dependents and therefore not allowed to sign the FAFSA by themselves. There are specific criteria for independent students, who do not need a parent signature.

If you do not already have an FSA ID, you can create one when logging in to [FAFSA.gov](https://fafsa.gov).

- When you go to [FAFSA.gov](https://fafsa.gov), click the button prompting you to create an FSA ID
- Create a username and password
- Use your personal email address and phone number
- Enter your name, date of birth, SSN, contact information, and challenge questions and answers
- Review your information and read and accept the terms and conditions
- Confirm your email address and phone number using the secure codes. Once you verify your email address, you can use either your email or username to log in to the websites.

The FAFSA Priority Application Deadline is coming up quickly! After March 1st, you're significantly less likely to receive scholarship and grant money in your financial aid package and more likely to receive loan offers.

WHAT YOU NEED TO

IMPORTANT NOTE Your parents/guardians will have to create an FSA ID as well. If your parents/guardians do not have a Social Security Number (SSN), please enter 000-00-000. If you have any questions, please see your college advisor.

"Major Clarity"

UCPS continues to utilize a program called Major Clarity for career resources. All Porter Ridge High School students have a Major Clarity account and they can access it by going to the UCPS High School Student Start Up page and click on their NCEdCloud IAM Clever title to login in. Students will then click on the Clever tile. Click on Student & Teacher Log in with NCEdCloud and scroll down until they see More apps and select the Major Clarity tile. Once they are in their Major Clarity account, on the left hand side they can select assessments and take the Personality Assessment & Learning Styles Assessment. After the student takes the Personality Assessment, back on the left side they can click Career Exploration and either search for what they would like to see or if they scroll down, they will see careers that have a Fit Score and click on them to learn more about each career. Below are screenshots as well. Another resource in Major Clarity students can earn Micro-Credentials. Micro-Credentials can be received after students complete a mini course. These credentials can help students take the next step in their career discovery and help them stand-out by earning subject matter micro-credentials, built in partnership with leading employers and educational institutions. If you have any questions or would like more information, please email Ms. Webb at sarah.webb@ucps.k12.nc.us.

[STUDENT ABSENCES](#)

- Students must turn in absence excuse notes to the Attendance Counselor **BEFORE** the start of the school day.
- Students are allowed **FIVE school** days after the end of an absence to bring a parent/ doctor note to document the reason for the absence. A parent note must be signed by a parent or guardian with a work and home telephone number for further clarification. An absence will be recorded as unexcused until the parent/ doctor note is submitted.
- After **FIVE** days the absence is recorded as **unexcused/unlawful**. Doctor/Medical notes may be considered after this in special cases. Parent notes will not be accepted after five days.
- All parent notes are subject to review and may result in a required parent-administration meeting in order to be considered.

- Cell phones (headphones) may be used in a respectful manner during class transitions in between class periods and during lunches.
- Cell phones must be silenced and put away during class periods. Away means stored in a backpack, or in a teacher-designated location.
- Teachers do have discretion to allow students to use their cell phone for an instructional purpose during class time.
- If you violate this you will lose the privilege to have your phone (and headphones) during class.
