Volume 5, Issue 7: September 22, 2022

Dear Pirate Family,

This week is **Progress Check-in Week**. Teachers have grades updated for students and parents, and this is the time for parents and students to check grades, so students can right the ship if needed. Teachers will conference on progress with students in each class and help plan a course for success.

We have honored our students who have earned **Career and Technical Education (CTE) Certifications** from the Fall of 2021 and the Spring of 2022 in this edition. Student names and certifications are listed.

We have honored our students who have earned an **Academic Bars and Letters from the Spring of 2022**. Students in grades 10-12 who earned at least a 90 average in all classes combined and did not have a final grade below an 85 in any class last Spring earned a bar or letter. Freshmen will be eligible next semester. Students are listed in this edition and were presented their bar or letter and a reward by an administrator and counselor.

Students are reminded to continue to check the **Student Canvas Announcement Page** to be updated daily on events at PRHS, as well as, use the provided **Agenda Books** to write down and keep track of important due dates and school events.

Please review our table of contents on this page and use this newsletter to stay informed throughout the year, as well as, our [PRHS Website](#). The Pirate Press is the main form of communication from school to home.

ACADEMICS & ADVISORY

Chorus classes had special guest Dr. Coty Raven Morris, professor from Portland State University, come work with our students . She cultivated choral leadership, while also rehearsing with our students to learn new songs and refine the ones we have already been working on. She was truly inspirational for the students by teaching the whole person through the medium of music. Ideas of conflict resolution, working together, challenging ourselves to be better people.

MAJOR CLARITY

“Major Clarity”

UCPS continues to utilize a program called Major Clarity for career resources. All Porter Ridge High School students have a Major Clarity account and they can access it by going to the UCPS High School Student Start Up page and click on their NCEdCloud IAM Clever title to login in. Students will then click on the Clever tile. Click on Student & Teacher Log in with NCEdCloud and scroll down until they see More apps and select the Major Clarity tile. Once they are in their Major Clarity account, on the left hand side they can select assessments and take the Personality Assessment & Learning Styles Assessment. After the student takes the Personality Assessment, back on the left side they can click Career Exploration and either search for what they would like to see or if they scroll down, they will see careers that have a Fit Score and click on them to learn more about each career. Below are screenshots as well. Another resource in Major Clarity students can earn Micro-Credentials. Micro-Credentials can be received after students complete a mini course. These credentials can help students take the next step in their career discovery and help them stand-out by earning subject matter micro-credentials, built in partnership with leading employers and educational institutions. If you have any questions or would like more information, please email Ms. Webb at sarah.webb@ucps.k12.nc.us.

- Students must turn in absence excuse notes to the Attendance Counselor **BEFORE** the start of the school day.
- Students are allowed **FIVE school** days after the end of an absence to bring a parent/ doctor note to document the reason for the absence. A parent note must be signed by a parent or guardian with a work and home telephone number for further clarification. - After **FIVE** days the absence is recorded as **unexcused/unlawful**. Doctor/Medical notes may be considered after this in special cases. Parent notes will not be accepted after five days.
- All parent notes are subject to review and may result in a required parent-administration meeting in order to be considered.

- Cell phones (headphones) may be used in a respectful manner during class transitions in between class periods and during lunches.
- Cell phones must be silenced and put away during class periods. Away means stored in a backpack, or in a teacher-designated location.
