# THIS WEEK'S STUDENT SPOTLIGHT

**Name: Madeline Kesner**

**Grade: 12**

**1.Future Plans: (college you want to attend or will attend in the Fall)**

I'm currently very uncertain of my college plans, as I have yet to hear back from a handful of schools that I applied to; however, I'm particularly fond of Duke and UNC Asheville.

**2.What is your dream job?**

I'd like to become a pharmacist in the future.

**3.Sports, clubs, organizations you are a member of at Porter Ridge**

I am the secretary of the National Honor Society, Beta Club, and Mu Alpha Theta, the vice president of the Gay-Straight Alliance, and a member of book club, HOSA, and GirlUp.

**4. What's the best advice you have ever gotten and who was it from?**

My mom has always told me to be kind to others, as you never know what they're going through, and this has by far been the best advice I've ever gotten. Kindness can get you very far in life.

**5. What words of wisdom do you live by?**

"Every day may not be good, but there is something good in every day."

**6. What is your biggest takeaway from the 20-21 school year?**

That you never know what the future is going to throw at you, but you need to learn how to embrace it and make changes in order to be successful.

**7. What is your favorite memory so far as a student at PRHS?**

I have so many good memories that it's hard to choose just one, but I used to love all of the fun activities after school, like the Great Race and the Lip Sync Battle. It was so fun being able to interact with a bunch of people and have a great time. I hope that in the future, students are able to get back to that and enjoy their high school experience. It's activities like those that make high school fun.

## A NOTE FROM NURSE MASSEY

In 2015, the State of North Carolina added Meningococcal vaccine to the school required immunizations. The first dose of Meningococcal vaccine, MCV, was given to this year's Juniors prior to the start of 7th grade as a school required vaccine. The second dose of this vaccine is required prior to the start of the Senior year, the 2021-22 school year.

If your child does not currently have evidence of the MCV vaccine, please contact your child's health care provider to obtain it. Following administration of the vaccine, please submit a copy of the record to the school nurse yet this school year. This documentation must be on file here at school prior to the start of the 2021-22 school year to meet this school enrollment requirement. Individuals born before 1/1/2003 are exempt from this requirement.

For complete details and explanations, please review the website <https://immunize.nc.gov/schools/ncruleslaws.htm> for NC general statutes 130A-157.

Thank you for your timely attention to this matter. If you have any questions, our school nurse will certainly be available to you as a resource.

# PRHS CELEBRATES WOMEN'S HISTORY

Ms. Koonce's Spanish 3 class is celebrating Women's history at the beginning of each class this month.

Today students learned about 10 influential women from all parts of life and had a Canvas board discussion about some of the woman they thought were influential.

If you have or are in the process of completing four Career & Technical Education (CTE) courses, you will be taking the ACT WorkKeys assessment during the week of March 15-19. Students that need to take the ACT WorkKeys assessment have been notified by email this past week. Students please be sure to check your school email to see if you need to take the ACT WorkKeys assessment.

## What is ACT WorkKeys?

ACT WorkKeys Assessments are the cornerstone of ACT workforce solutions. The assessments measure foundational skills required for success in the workplace, and help measure the workplace skills that can affect job performance. The WorkKeys assessment is a multiple choice test that will be given to seniors that have or are in the process of completing four Career & Technical Education (CTE) courses in a specific career cluster and consists of three sections (Applied Math, Graphic Literacy, and Workplace Documents).

## Why is ACT WorkKeys Important?

These are skills that employers feel are critical to job success and can help students understand how they can improve their skills for better paying jobs. Students who take the ACT WorkKeys tests have a clear way to demonstrate their abilities to future employers. A large number of students are entering the workforce without adequate skills to qualify them for the jobs they want. By increasing their skill levels while they are still in school, students increase their opportunities for higher salaries in the future.

## What do your ACT WorkKeys Scores mean?

Students who successfully complete the three WorkKeys assessments (Applied Math, Graphic Literacy, & Workplace Documents) can earn the WorkKeys National Career Readiness Certificate, a valuable credential for students and job seekers seeking to verify foundational workplace skills. A certificate is provided at the platinum, gold, and silver levels. Students can use their results to identify jobs for which they are qualified for and improve on areas where their skills are weak.

## How can you Prepare for it?

To prepare for the WorkKeys assessments students can login to the WorkKeys Curriculum website.

Ø The website for the WorkKeys Curriculum is: <http://workkeyscurriculum.act.org>

Ø Student Username is: school email address

Ø Student Password is: 8 digit date of birth (MMDDYYYY – March 3, 1997) (ex. 03031997).

For more information about the ACT WorkKeys Assessment and the Career Readiness Certificate, visit: [www.act.org/workkeys/](http://www.act.org/workkeys/)
