

Dear Pirate Community,

Important Attendance information for student-athletes is included in this Pirate Press and will also be posted on our website. Beginning in the 2020-2021 school year student-athletes will need to meet the attendance guidelines outlined in this letter. The attendance that will be counted for next Fall's season is from this current semester. Attendance matters and student-athletes must make sure that they are at school as much as possible. For the athletic guidelines all absences count, whether excused or unexcused, and recovery doesn't change attendance for the purpose of athletics. For all students, in order to best track attendance and encourage students' daily attendance at school we are requiring that any parent absence note be turned in within 5 school days of the student return to school. Parent notes submitted after this will not be accepted. Thank you for adhering to this.

We met with all grade levels this week during our second semester safety assemblies. Please remind your students to talk to a counselor, teacher, or administrator if they are having any concerns at school. Safety at Porter Ridge is important and we are all a part of maintaining our safe school.

Parents - students got their first semester report cards tomorrow. There are so many great things happening here at Porter Ridge High School. We continue to talk to our students about career opportunities and courses that they can take in order to get a feel for that field of study. We hope that you will check out our Career Pathways posters on our website. These are available for students in our counseling suite and in our halls as well. Encourage your children to take a look as we will begin course registration for next year over the next couple of months. Our Student Council are planning some amazing events coming up - Gatorball.... GooseChase.... Class Wars.... Don't forget to come and watch our amazing theatrical ensemble perform "The Mousetrap" this Friday and Saturday - buy tickets in advance online (link on our website) or at the door.

RE: Athletic Attendance Policy for 2020-21

Dear Parents/Guardians,

Beginning in 2020, Union County Public Schools will enforce a previously used attendance rule as it relates to athletic eligibility. In order to be eligible for interscholastic athletics participation, students must have been in daily attendance 85% (No more than 13 absences a semester) of the previous semester and must meet all applicable eligibility standards of the North Carolina High School Athletic Association (NCHSAA). The NCHSAA now allows LEA's to determine their own attendance policies for athletic purposes.

The policy will begin being enforced for the 2020-21 school year and will use attendance from the 2<sup>nd</sup> semester of the 2019-20 school year to determine attendance eligibility for next school year. PowerSchool defines daily attendance as being present 2 blocks. Absences recovered through attendance recovery will not change the attendance record and therefore will impact opportunities including the ability to participate in interscholastic athletics.

Schools will have the opportunity to submit a hardship request based on a legitimate circumstance, such as a medical condition which may have created an attendance hardship. A committee will be formed to review and rule on these appeals.

This information has been shared with all students. We ask for your support in helping our student athletes understand the attendance requirements necessary to participate in athletics beginning in 2020-21. Their attendance during the 2<sup>nd</sup> semester of this school year will directly impact their ability to play. If you have additional questions, please contact our athletic direction, Ms. Ina Thompson, by telephone at 704-292-7662 or by email at [ina.thompson@ucps.k12.nc.us](mailto:ina.thompson@ucps.k12.nc.us).

Sincerely,

Dr. Kim Fisenne
