Dear Parent/Guardian:

I hope the school year has started successfully for all of you. As a parent/guardian of a student in **Monroe High School**, I am writing this letter to let you know that **Monroe High School** has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is under-performing. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT school, **Monroe High School** is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for **Monroe High School** this year:

- Increase graduation rate
- Focus on Attendance/engagement rate

Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies **Monroe High School** will be implementing:

- Individual meetings with students to understand the track to graduation
- Reaching out to 8th grade students and parents to understand high school life

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:
