Become a member of the PTSO!

Did you know the Cuthbertson High School PTSO is funded almost entirely by CHS families? Just \$10 is all it takes to become a member of the PTSO and that's it. We won't ask you to sell anything or volunteer (unless you want to). Your membership dues help fund CHS teacher and staff appreciation events, school needs, and student scholarships.

Anyone who joins now or signed up at the beginning of this school year will be entered for a chance to win a basket full of spirit wear and gift card!

Join today - https://www.cuthbertsonhsptso.com/ptso-membership.html

Make your donation stretch further with a tax-deductible "Invest in CHS" donation. You can even double your donation if your employer offers a matching gift program.

Nurse News

Important message for 12th grade students regarding the Meningitis C vaccination requirement. The first dose of Meningococcal vaccine (MCV) was given to this year's Senior's prior to the start of 7th grade as a school required vaccine. North Carolina Immunization Law requires the second dose of MCV for all 12th grade students. If your child does not currently have evidence of the MCV vaccine, please contact your child's health care provider to obtain it. Following administration of the vaccine, please submit a copy of the record to our School Nurse through the Front Office. This documentation must be obtained within 30 days of the start of the 2022-23 school year to meet the school enrollment requirement. Individuals born before 1/1/2003 are exempt from this requirement. Thank you for your timely attention to this matter. If you have any questions, our School Nurse Amy Haislip will certainly be available to you as a resource. Please contact her at 704-296-0105
