

Academic Course Plans for Rising 9th-11th Grade Students (Class of 2024 - 2028)

~All students must pass Health and PE; this is taken as a ninth grader.

~Honors and AP class placement are suggested based on teacher recommendation and student grades in prerequisite courses.

~Students must meet graduation requirements (see that document)& have 28 credits to graduate; each class equates to one credit.

~Students rarely take ALL CP or ALL Hon courses, but rather students challenge themselves in subject areas where they are strongest.
