

we can
help

Dear Parents/Guardians,

We will be available throughout the summer. If you need assistance, please do not hesitate to contact us. We can help with the following:

School Social Worker

- Connecting families to resources (e.g. mental health, housing, utilities, food, and clothing).
- Assisting families who are in transition.
- Consultations with families about academic concerns or family crises.
- Delivering food for families.

Behavioral Health Therapist

- **Continued therapy** for established students and families.
- **For new therapy services contact your school principal.**

PARKWOOD CLUSTER

**Waxhaw ES, Western Union ES, Prospect ES,
Parkwood MS and Parkwood HS and South
Providence**

We look forward to working with you during the summer months. For more information concerning these opportunities, please contact us directly.
