Exam Information

IMPORTANT - about exemptions AND attendance recovery.....

Teachers will share tentative exam exemption status with students on 5/27 and final status on 5/30. If you are unsure – ask your teacher. Remember you can exempt a course if your final average is a 90% or higher AND the exam is a teacher-made exam. All State CTE exams and State EOC exams canNOT be exempted.

- The information that teachers (or Admin) will share with you is accurate for the day that they give you the information - HOWEVER if your grade average changes because of work submitted or tests taken - your exemption status will change.*

- Your attendance is REQUIRED all the way up through final exams. If you have completed all of your required exams you are not required to come to school on the makeup exam day – it will be coded as an excused absence- it will not affect your exam exemption or whether you pass/fail a course due to attendance. IF you are a student-athlete - these absences may affect your eligibility so please be sure that you are well under the 12 absence limit.*

- Your grades all count - all the way through the end of the grading period.*

- You are REQUIRED to do attendance recovery if you have more than 8 absences. If you have accumulated more than 8 unexcused absences you have received emails from Ms. Elliott about recovery. You should be checking your email. The Principal, Dr. Fisenne, typically waives your excused absences as long as they are not excessive – so it is usually your unexcused absences (this includes suspensions) that you need to recover so that you end up with less than 8 unexcused absences. You have had this opportunity all semester at The Study Cove, or by attending your teacher's tutoring – you have very limited opportunities remaining. You should go see your counselor if this applies to you.*

- If you are still confused at this point, please see Dr. Fisenne or any administrator during lunches so that she can explain to you directly*

- Schedule for A day B day Final assessments** – Students will report to their Aday class each morning (based on schedule below) and will take both their Aday and Bday exams in that Aday classroom.

- Final Exam Schedule Information:** All students will test on campus. Buses will depart at @12:30

- Monday 6/2 First Block exams

- Tuesday 6/3 Second Block exams

- Wednesday 6/4 Third Block exams

- Thursday 6/5 Fourth Block exams

- Students missing an exam day will come in on Day Five for the makeup day: Friday 6/6 (Buses depart at 3:05 on 6/6).

- Exam Reviews:** Review for all final exams on Friday 5/30 in class.

Attendance Waivers

ATTENDANCE MATTERS WAIVER INFORMATION

FORM

Students must be in attendance at school. Students who miss 8 or more days may fail the course due to attendance.

As a school, we do realize that there may be extenuating circumstances that caused a student to miss more than the allowed number of absences from school. Please understand that this process is for serious extenuating circumstances only. Students should continue to complete attendance recovery while they are applying for a waiver.

SUBMISSION DEADLINE

MAY 29TH

HOW TO APPLY

Starting Tuesday, May 20th, come to the counselor's suite to see your counselor and receive the waiver form

Attend Today and Achieve Tomorrow

Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes must be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student may fail the course due to attendance.
