Attendance Information- Waivers

Students must be in attendance at school. Students who miss 8 or more days may fail the course due to attendance.

As a school we do waive previously approved, excused absences, so you do not need to count those in your 8 days.

We do realize that there may be extenuating circumstances that caused a student to miss more than the allowed number of absences from school. Please understand that this process is for serious extenuating circumstances only. Students should continue to complete attendance recovery while they are applying for a waiver. The process at PRHS to appeal for a waiver for these days is to see your counselor on January 6th. Your counselor will provide input to you on whether your circumstances are truly extenuating, and can provide you with the waiver form.

Attend Today and Achieve Tomorrow

Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes must be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student may fail the course due to attendance.
