### STUDENTS MUST SCORE A PROFICIENT-LEVEL 3, 4, OR 5 ON EOC EXAMS AS A UCPS GRADUATION REQUIREMENT

How students prepare and perform is important! Students must score at a Proficient Level (Level 3, 4, or 5) on End of Course (EOC) Exams as a UCPS graduation requirement.

Students grades during the semester, along with their EOC, determine their final grade. A final grade of passing will allow students to earn HS credit for the course, however, in UCPS students must not only earn credit for the course, but must also show proficiency on End of Course Exams in Math I, Math III, Biology, & English II.

Students show proficiency by earning a score of Level 3, 4, or 5 on the exam. Students who are not proficient will have the opportunity to remediate and retake the test on two days at the end of the school year after the last day of school. If students still do not show proficiency on their second attempt of the exam, they will be prescribed additional course work to allow them to increase their understanding of the material and show mastery of the content in an alternative way the following school year.

As we continue to build a school culture of excellence - we ask all students to do their best on each assessment so that they meet the graduation requirements the first time they take the exam.

Math 1 & 3, English II, Biology!!  
We ARE PR and We ARE PRoud!!

Science Teacher, Mr. Hoagland

# Attendance Waivers

## Attendance Information- Waivers

Students must be in attendance at school. Students who miss 8 or more days may fail the course due to attendance. As a school we do waive previously approved, excused absences, so you do not need to count those in your 8 days. We do realize that there may be extenuating circumstances that caused a student to miss more than the allowed number of absences from school. Please understand that this process is for serious extenuating circumstances only. Students should continue to complete attendance recovery while they are applying for a waiver. The process at PRHS to appeal for a waiver for these days is to see your counselor on January 6th. Your counselor will provide input to you on whether your circumstances are truly extenuating, and can provide you with the waiver form.

Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes must be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student may fail the course due to attendance.
