STEP BY STEP GUIDE TO UCPS ABSENCE REPORT FORM

ATTENTION
PLEASE!

1

Create your account

Parent or guardian must create an account. The system will not accept submissions from student email accounts. PRHS will review accounts created to ensure that the email address used matches the parent email address in powerschool. For safety reasons if the email address does not match the known parent email, the account will be deleted. For reference, the school newsletter, the Pirate Press, is sent to the parent email address on file. You can also call the school to check on your email

2

Report Absences

Parent or guardian will submit all absences digitally via this Microsoft form.

3

Please Note:

- Must submit one day absence at a time.
- You cannot submit an absence before it occurs
- You must upload documentation necessary to excuse absences.
- Porter Ridge High School may only accept a maximum of 5 absences per semester excused with a parent note. After 5 days, only a doctor's note will be accepted.

4

Report absence:

Once your account has been created, use this link to log in and begin reporting absences.

Attend Today and Achieve Tomorrow

Student attendance at school is expected and is necessary for students to make the most of their learning. Please work with us as we try to teach our students that attendance is required, just as it would be at a job in their future.

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes must be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student may fail the course due to attendance.
