This team of student leaders will help integrate the five PoG attributes - effective communicator, resilient problem solver, key contributor, innovative leader, and skilled collaborator - into UCPS high schools and the district.

Selected students will serve at the school or district levels, participating in monthly meetings and leading county-wide initiatives.

Apply Today!

<https://bit.ly/PoGstudentleader>

Deadline to apply is September 30, 2024!

Students meet in advisory period twice a week on Tuesdays and Thursdays and learn about leadership, goal setting, problem solving, and more.

UCPS Graduates are Effective Communicators, Resilient Problem Solvers, Key Contributors, Innovative Leaders, and Skilled Collaborators

Peer tutoring is a welcoming experience. We help younger students, kindergarten through fifth grade, with their schoolwork to help them understand the subjects they are learning while helping the teachers better understand the kids' needs by translating for them when necessary. Some kids don't understand much English or at times, nothing of English, which makes it hard for them to communicate with others which is where we help out. The kids are typically really sweet, open, and friendly making it easier to work with them. The teachers are also typically pretty understanding, patient, and appreciate our help.

The Porter Ridge High School Tutoring Program reinforces our belief that Porter Ridge High School is a community of learners who support and care for each other. We believe that all incoming students should have a positive environment in which to learn and thrive.

From one of our Peer Tutors

Being a peer tutor has really opened our eyes to see how other students learn. It also gives us the chance to see how education has evolved since we were in middle or elementary school. This opportunity opens doors for many careers in the future; teaching, childcare, behavior specialist and so many more.

- Parents can provide notes for up to five days that a student is absent. After those days PRHS will require a doctor/medical note to excuse the absence.
- An absence will be recorded as unexcused until the note is submitted. Parent notes must be in within five days of the student's return to school.
- If a student misses 8 or more days of school in a semester, whether the absences are excused or unexcused, the student may fail the course due to attendance.
