

Students Must score A Proficient- Level 3,4, or 5 on EOC Exams as a UCPS Graduation Requirement

Dear Parents,

How students prepare and perform is important! Students must score at a Proficient level (Level 3,4, or 5) on End of Course (EOC) Exams as a UCPS graduation requirement.

Students grades during the semester, along with their EOC, determine their final grade. A final grade of passing will allow students to earn HS credit for the course, however, in UCPS students must not only earn credit for the course, but must also show proficiency on End of Course Exams in Math I, Math III, Biology, & English II.

Students show proficiency by earning a score of Level 3, 4, or 5 on the exam. Students who are not proficient will have the opportunity to remediate and retake the test on two days at the end of the school year after the last day of school. If students still do not show proficiency on their second attempt of the exam, they will be prescribed additional course work to allow them to increase their understanding of the material and show mastery of the content in an alternative way the following school year.

As we continue to build a school culture of excellence - we ask all students to do their best on each assessment so that they meet the graduation requirements the first time they take the exam.

Math 1 & 3, English II, Biology!!

We ARE PR and We ARE PRoud!!

STUDENTS MUST SCORE A PROFICIENT-LEVEL 3,4, OR 5 ON EOC EXAMS AS A UCPS GRADUATION REQUIREMENT
