

Sandy Ridge Morning Car Rider Line

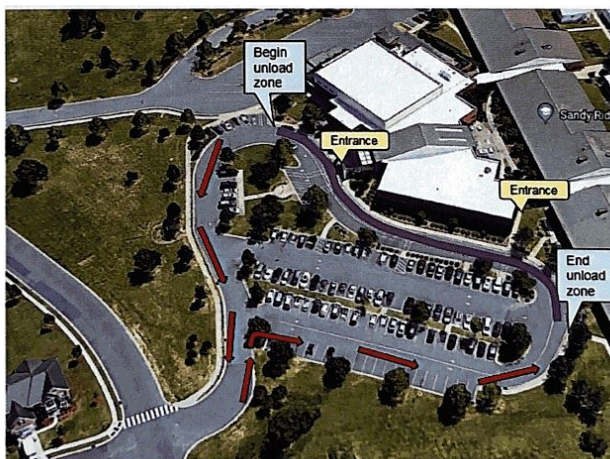

Begins: 7:00am Ends: 7:30am

How does it work?

Sandy Ridge operates a “rolling” car rider line with **ONE** lane only during morning drop-off. For safety and to maintain an efficient and timely line, please follow the procedures below.

Procedures:

- You must pull up to the farthest available point (See “Begin unload zone” below).
- Please have your child ready to exit the car as quickly as possible.
- If you are in the unloading zone, **you must unload regardless of your spot in the line.** Please do not wait to be directly in front of the doors, as others behind you will have already unloaded. Staff will be stationed throughout the zone to assist students.
- We will have two entrances to the building open (main and side doors). Your child should walk to the closest entrance. Staff will also assist inside both entrances.
- Parents will not be allowed in the side entrance, as all visitors are required to enter and sign in at the front office.

Safety Reminders:

- The bus lot is **NOT** available for dropping children off by car.
- If you have business in the building, you may park and walk your child in. Please sign in at the front office.
- Do not attempt to pass vehicles in the car rider line.
- **Children are never to cross the car rider line alone!**
- **After 7:30 you must walk your child inside and sign them in.**
