WHS STUDENT HANDBOOK

Parents, we need your help in reminding students of the importance of being aware of, and complying with, the dress code which can be found on page 13 and 14 of the [student handbook](#). Although we understand that style trends are ever changing and this is often reflected in the clothes that stores are selling, it is important that students understand that there is a different standard for what should be worn during school and what they wear outside of school. Thank you for your assistance in reinforcing this with your child.
