ATTENDANCE

STUDENT ABSENCE PORTAL

In the event your child is absent from school due to illness/injury, please upload your documentation to the [Student Absence Portal](#). The proper documentation MUST be provided in order to excuse the absence. A phone call to the school, stating your student is absent, is not necessary. Remember, parent notes will only be accepted during the current 6-week grading period, of the absent day.

ATTENDANCE FAQ

What do I need to do if my student needs to leave early?

Send them to school with a parent note stating their name and what time they need to be dismissed. They will bring their note to the front office and receive an early dismissal slip.

Do I need to come into the school to sign out my student?

If they brought in a note - NO.
If they did not bring in a note - YES.

What if my student drives and needs to unexpectedly leave early?

We will need WRITTEN permission for your student to check themselves out. Please email the front office.

When do I need to use the Student Absence Portal?

Anytime your student is absent. Doctor's notes should **only** be uploaded to the portal - we do not need the paper copy.

When does my excuse note need to be uploaded?

Requested within 24 hours of the absence. Deadline for ALL excuse notes is before the end of each 6 week grading period.

Can I use the Student Absence Portal for an early dismissal?

NO. Students need to bring in a physical note in order to receive an early dismissal slip.

What is the latest time I can pick up my student?

We do not have a cutoff time, however, we suggest arriving before 2:30, as the car rider line tends become congested.

What absences can be considered excused?

With appropriate documentation: medical appointments, illness (5 parent-excused per semester), DMV (1 per year), approved college visits (juniors & seniors)

WHS STUDENT HANDBOOK

Parents, we need your help in reminding students of the importance of being aware of, and complying with, the dress code which can be found on page 13 and 14 of the [student handbook](#). Although we understand that style trends are ever changing and this is often reflected in the clothes that stores are selling, it is important that students understand that there is a different standard for what should be worn during school and what they wear outside of school. Thank you for your assistance in reinforcing this with your child.

EC PARENT SURVEY

Parent Survey: Special Education

What is the Parent Survey?

This is an annual survey of parents of children receiving special education. It is an opportunity to report how well your school system includes you in the IEP process and the education of your child.

Your response matters!

Your response lets the State and your district know how well they are doing or how they can improve parent involvement.

Did you know?

Your response is anonymous.

Survey Specifics

This short, 2-minute survey is open between January 8 and June 30, 2025. If you don't have a computer or smartphone, you can request a paper copy from your district.
