CAREER PLANS

On 5/21/2025 parents should have received an email directly from Major Clarity containing their student's career plan. This email will be sent to the parent email address currently on file in PowerSchool.

Per our communication from the beginning of the school year, NC Senate Bill 193 requires that all students in grades 6-12 have a career plan. A student's initial career plan will be created (by the student) by the end of their 6th grade year and then revised annually through 12th grade. UCPS utilized Major Clarity as the platform for students to create their career plan.

Students only focused on completing three areas this year: Assessments, Pathway Selection & Academic Planning. If further information was added to your students career plan it was due to your student inputting that data. The career plan is a fluid document and does not dictate your students future plans. This is a guide for your student to utilize as they progress through high school

As was shared in the email to parents sent on 5/20/2025, *one important part of career planning is academic planning. Please note that the courses listed in your student's career plan are for planning and exploration purposes only. **The courses listed in the career plan do not reflect your student's 2025-2026 schedule.***

Students can update the courses in the career plan at any time by accessing Major Clarity as they continue to explore the course offerings related to their future career interests. Information

regarding official student schedules for the 2025-2026 school year will be sent out in August of 2025.

Please communicate with your student about their career plan as they are the editor of the document you received. For course selections please communicate with your students counselor in August 2025 prior to the start of the 2025-2026 school year.

What do I need to do if my student needs to leave early?

Send them to school with a parent note stating their name and what time they need to be dismissed. They will bring their note to the front office and receive an early dismissal slip.

What if my student drives and needs to unexpectedly leave early?

We will need **WRITTEN** permission for your student to check themselves out. Please email the front office.

When do I need to use the Student Absence Portal?

Anytime your student is absent. Doctor's notes should **only** be uploaded to the portal - we do not need the paper copy.

When does my excuse note need to be uploaded?

Requested within 24 hours of the absence. Deadline for ALL excuse notes is before the end of each 6 week grading period.

NO. Students need to bring in a physical note in order to receive an early dismissal slip.

What is the latest time I can pick up my student?

We do not have a cutoff time, however, we suggest arriving before 2:30, as the car rider line tends to become congested.

What absences can be considered excused?

With appropriate documentation: medical appointments, illness (5 parent-excused per semester), DMV (1 per year), approved college visits (juniors & seniors)
